

ROSE EXHIBIT IS DRAWING MANY

Hundreds of Visitors View the Beautiful Blooms at Y. M. C. A.

Hundreds of visitors to-day are flocking to the bower of fragrance and beauty in the lobby of the Central Y. M. C. A., the scene of Harrisburg's first annual Rose Show, which is being held under the auspices of the Woman's Advisory Board of the Central Y. M. C. A.

While the unusual weather conditions of this year were such as to cause many of the roses to bloom exceptionally early and for their blooms to wilt before the rose show, the quantity and quality of blooms shown at the exhibition were such in view of the fact that this is the first event of this nature ever tried in Harrisburg, that they exceed the most sanguine anticipations of the backers of the movement.

Over two hundred blooms in many varieties were entered for prizes by amateurs, while thousands of other blooms contributed by nurseries and florists of Harrisburg and vicinity were furnished to provide a suitable setting for the varicolored blooms.

Prizes announced before the opening of the show at 2 o'clock yesterday afternoon, together with the particularly winning variety, follow: General display: First, J. Horace McFarland; second, Lewis P. Haeinlein; third, Mrs. William Hain.

Best vase of three white roses: First, Frau Karl Druschki, Mrs. F. R. Oyster; second, Frau Karl Druschki, Mrs. William Hain; third, Baltimore Belle, Mrs. J. B. McAllister.

SOLDIER KILLED BY ARMY TRAIN

Member of Tank Regiment at Camp Colt Meets Death by Accident

Gettysburg, Pa., June 7.—Another soldier belonging to the camp here has been killed in an automobile accident, the second one in a week. The unfortunate man was Corporal Thomas Andrews Richards, a member of Company C, 327th Battalion Light Tanks.

Several truck loads of the men had been at York Thursday evening as guests of the York Outdoor Club at a dance given for them and were returning from that city when Corporal Richards in some manner fell from the truck on which he was riding and the truck coming immediately behind passed over parts of his body.

He was dead when the men on the trucks went to his assistance. The body was brought here and prepared for shipment to his home in Syracuse, Neb., where his parents and several brothers and sisters reside. He was 24 years old and before enlisting in the Army was a teacher of science in one of the high schools of Nebraska.
