Friday Is Always a Big Day at the Bowman Store To-morrow Will Be Doubly So

Friday Bargains combined with 47th Anniversary Specials should make to-morrow one of the most popular buying days of the eight-day sale. For years it has been the custom to dispose of odds and ends at special reductions on Fridays for a quick clean-up. But the 47th Anniversary Specials offer still greater inducements to-morrow in every department of the store. Special purchase and regular stock has been reduced to remarkably low figures in order to show our appreciation for the years of patronage that has made this store grow to its present proportion. There are but two days more in which to select from the vast assortment of dependable merchandise at Anniversary prices. So it is to your advantage to come to-morrow if possible—otherwise on Saturday.
