

CITY'S RED CROSS RECEIVES PRAISE

More Knitters Are Needed to Get Winter Goods Ready For the Soldiers

Praise for the work of the Harrisburg Chapter, American Red Cross, is contained in a letter from Mrs. Ruth L. Cox, superintendent of knitted goods, addressed to the chairman of the local chapter. She pleads for more workers and more knitted articles. Her letter follows: "The division feels that it must congratulate your chapter both on the quality of your work and your splendid output of knitted articles during the last seven months. We are now about to send out the new Knitting Bulletin from Washington and we beg of you as quickly as possible, get your best knitters to make samples for each of their branches and auxiliaries, following the new rules exactly. As an O. K. chapter, when you have what you call a 'sample box' of all knitted articles, send one in to us marked as such from the chapter and we will send you a copy of the Bulletin of its contents. The changes will, I know, make your inspectors work harder at first, but this is a most necessary step in order that the amount of stitches to put on for the different articles, especially sweaters and socks, be uniform. In case there is such a difference in the size of the wool, if rules are followed exactly as to needles and wool they will be uniform. The demand for socks is unlimited. "We must also have a good supply of all other required articles by September 1, so beg those going away for the summer to take a good supply of wool with them. In cases where wool is too expensive for the knitters who do excellent work, there are always articles to be repaired or re-knit, or socks to have the knots in the soles darned in, and such knitters must feel that their work is most useful to use and saves it being done at division headquarters."

EARNINGS BREAK ALL PREVIOUS RECORDS

Evidence accrues from every industrial center—New England, the East and the West—that industrial earnings are far in excess of all previous records, surplus earnings are so great as to warrant marked industrial expansion. Our wheat crop will total close to 1,000,000,000 bushels. On July 1, there will be \$300,000,000 in interest and dividends for reinvestment. No wonder the markets are advancing. NEGROES ATTACK SPECIAL OFFICER

Second Assault on Policeman in Borough in Two Days

The second assault on an officer in the borough in two days took place at the Steelton Store Company Saturday afternoon. Tom Smith and his brother, Phil Smith, two negroes, attacked the special officer for the Steelton Store Company when he attempted to put one of them out because of his disorderly conduct.

Special Officer Harrod, telling his story of the incident, said the two negroes attacked him when he was attempting to restore order. One of the two, he explained, wrested his hat from his hand and hit him on the head, inflicting a painful scalp wound. Being overpowered by the two burly negroes, he pulled his revolver and was in the act of using it when one of the rowdies knocked it from his hand. Several men who happened on the scene rescued Harrod and assisted him in arresting one of the negroes. This man was taken to the borough lockup by the special officer who had attacked. The other was arrested last evening at 10:20 o'clock and placed in the lockup.

Playground Supervisor Here and Outlines Plans

Harold T. Confer, new supervisor of the borough playgrounds arrived this morning and together with members of the playground committee began to outline plans for the coming season. Prof. Charles S. Davis, chairman of the commission, said this morning he was unable to get more than three or four playground instructors. Officials expect to appoint additional instructors in the near future. The new supervisor comes from Blair Academy, Blairstown, New Jersey where he was athletic director.

TAKES SOLDIER'S CLERKSHIP

Kenneth Boyer is acting as an assistant clerk in the City Water Department office until the vacancy caused by the resignation of Warren L. Lymie is filled permanently. Mr. Lymie left on Saturday for Erie, Pa. after Army service, having been inducted by the second city service board.

770 CASUALTIES IN WEEK; 8,085 IN YEAR

(Continued from First Page.) ing in action, including all men held prisoners in Germany. The summary, which includes yesterday's list, follows: Killed in action (including 291 at sea), 1,172. Died of wounds, 364. Died of disease, 1,234. Died of accident and other causes, 422. Wounded in action, 4,547. Missing in action (including prisoners), 248. Total casualties reported to date, 8,085.

With more than 800,000 soldiers sent overseas, officials pointed to the small number, 291, lost through operations of German submarines as showing the effectiveness of the convoy system. The men lost were on torpedoed British steamers, Tuscania and Moldavia. The former was talking troops from America to England and the latter from England to France.

The comparatively small number of men dying from wounds is pointed to as indicating the efficiency of the ambulance and hospital systems, while the fact that only 1,234 men have died of disease is accepted as proof of the excellent physical condition of America's fighting men. Another satisfying consideration is that of the wounded men, a very high percentage returned to duty at the front in less than six weeks.

BOSS OF ALL THE BOCHES RECOMMENDS HIMSELF HIGHLY

He's the "Prince of Peace" and Works With "Gold" in Hope That Militarism Shall Triumph

Amsterdam, June 17.—Prussian militarism will bring victory to Germany, says Emperor William in reply to a telegram of congratulations on the thirtieth anniversary of his accession from Chancellor Von Hertling. The emperor declares he leads "the most capable people on earth." "When I celebrated my twenty-five years jubilee as ruler I was able, with special gratitude, to point out that I had been able to do my work as a prince of peace. "Since then the world picture has changed. For nearly four years, forced to it by our enemies, we have been engaged in the hardest struggle history records. God the Lord has laid a heavy burden upon my shoulders but I carry it in the consciousness of our good right, with confidence in our ship, our sword and our strength and in the realization that I have the good fortune to stand at the head of the most capable people on earth. Just as our arms under strong leadership have proved themselves invincible so will the home land, exerting all its strength, bear with strong will the sufferings and privations which just now are keenly felt. "I have spent this day amidst my armies and it moved me to the depths of my heart, yet filled with the profound gratitude to God's mercy. "I know that Prussian militarism, most abused by our enemies, which my forefathers and I in a spirit of dutifulness, loyalty, order and obedience have nurtured, has given Germany's sword and the German nation strength to triumph and that victory will bring peace which will guarantee the German life. "It will then be my sacred duty, as well as that of the states, with all respect to the healing of the wounds caused by the war and to secure a happy future for the nation. In most faithful recognition of the work hitherto performed, I reply on this day to the hearty wishes and the help of the state ministry. God bless our land and people!"

Local Women Witness Food Demonstrations

The morning demonstration in the Food Conservation train on the Steelton Store Company siding today was attended by a large number of local women. The train stopped here at the request of the borough health commissioner. Experts from the State College Extension School gave demonstrations in the train between 10 and 12 o'clock in the morning and 2 and 4:30 o'clock in the afternoon.

Local housewives and all interested in the conservation of food who attended the demonstrations were received by a committee of the fact. Mrs. G. P. Vanier, of the local administration, was chairman. Members of the committee were: Mrs. J. M. Heagy, Mrs. Bethel, Mrs. Marian Hill, Mrs. S. W. Wagoner, Miss Carlene Barrett, Miss Kathryn McCall and Miss Estelle Thompson.
