COTTON SEED OIL FOR OLIVE OIL

Foust's Men Catch Crooks in the Oil Trade Operating From New York

Charges sottonseed oil is being sold as pure oil were being sold as pure olive oil were made to-day by Dairy and Food Commissioner James Foust. Many products imported into this country have been imitated here late-

ly, but he says the test fraud is one of the most daring that has been attempted. Practically all shipments of pure olive tically all shipments of pure olive oil from Italy and other foreign portshave been abandoned but the cottonseed oil has been shipped in large quantities from the south to New York and other large cities. The oil has been placed in pint and quart cans, which have been nicely decorated with pictures of olive groves and it has been labeled and sold as pure olive oil. Large consignments were detected this week in Philadelphia and the matter turned over to the government agents who have

GET NEW KIDNEYS!

The kidneys are the most overwork-ed organs of the human body, and when they fail in their work of filter-ing out and throwing off the poisons developed in the system, things begin

to happen.
One of the first warnings is pain or stiffness in the lower part of the back; highly colored urine; sloss of appetite; indigestion; irritation, or even stone in the bladder. These symptoms indicate a condition that may lead to that dreaded and fatal malady, Bright's disease, for which there is said to be no cure.

seized the product and started action against the New York shippers. Some time ago Commissioner Foust directed the special agents of the Department of Agriculture to purchase different brands of clive cils and these are now in the hands of the chemist for analysis. Most of the fraudulent brands are being sold in pint and quart cans.

Soldiers Will Be Used to Guard Draft Trains

Notice that soldiers from cantonments will hereafter be placed on trains moving drafted men to training camps has been issued by the state draft headquarters. Numerous complaints about drafted men obtaining liquor and of damage to cars have been made and the first soldiers to be assigned to trains will be on those which will take 500 colored men to Camp Sherman to-morrow. State draft headquarters has given permission to British and Canadian recruiting missions to examine the registration cards of the twenty-one year old registrants.

Local boards have reported that 620 men have been returned from various cantonments because on medical examination they showed signs of tuberculosis. The State Department of Health will supervise their treatment.
