## Silks and Dress Goods

A wealth of novelties in beautifully patterned and colored Silks and Dress Goods. One would never think by seeing our showing of these new fabrics that there ever was any "war situation" except that American manufacturers have put their ingenuity to work in many marvelous ways. We have strained every energy

aginable and in every width so that no matter what your requirements are, they can be well satisfied in this great showing of Summer Silks and Dress Fabrics.

40-inch Crepe de Chine-a superior quality with an unusually brilliant finish-40 shades to select from; plenty of the most desirable shades of flesh, rose, apricot, sapphire, French gray, taupe, Navy, white and black. Yard ............\$1.59 The recent advance on this particular quality was 30 per cent., but we still maintain the old price.

36-inch all silk gingham plaids and stripes-one of the season's originalities-Louisine weave, light grounds with the charming gingham colorings so attractive and fashionable

Yard ...... \$1.59 36 and 40-inch colored pongees in a big range of this sea-son's best colorings for dress, suit or skirt. Yard ..... \$2.25 36 and 40-inch white satins in full range of weights from \$1.29 to \$3.00 a yard.

## Wash Goods

36-inch imported linen suitings of the finest quality-creaseless, shrunk and fast colors-12 of the season's best shades, vard 

**Companion U-Boat** An Atlantic Port, June 25. — Skill-ful maneuvering by the captain of a British steamship carrying supplies from America for the allies led to the submarine of the officers submarine the supply ship by another U-boat. All the members of the crew of the U-boat that was sunk were drowned. Officers of another vessel of the company own-ing the supply ship who arrived yes-terday suid that the sinking of the submarine had been recognized of-ficially and a check for the prize money of \$2,500 had been divided among the crew. The telling a reporter about the sinki-the officers said: The steamship, loaded with sup-ples from an American port, was subtant mist on the water which is usual at this time of the years in that region, the man in the upper crows' next shouted: Submarine almost right "The was evident two U-boats had been blue in the the woor company on the many blue from an American port, was subtant from an American port, was subtant mist on the water which is usual at this time of the years in that region, the man in the upper crows' next shouted: Submarine almost right "The was evident two U-boats had been blue in wait for the vesat had

> As discussed last evening the marker or monument will be similar ties in the west. On the marker

E. C. Henderson, chairman of the E. C. Henderson, chairman of the Highway Committee of Council, last evening reported the developments on the negotiations with the state and county for the paying of a big section of South Front street. The opening of the borough playgrounds was reported to league members. Eight new members were added to the membership of the league.

THETHEN REGISTER Up to noon to-day, Chief of Police Grove reported the registration of fifteen German females over the aged of fourteen years. Before Thursday the closing of the period in which women have been given time to register about ten more are expected to register with the police chief.

GIFT FOR CUDDY. Employes of the Woodworth Five and Ten Cent Store in the borough yesterday morning presented James Cuddy, former manager of the local store and who has been made man-ager of the Pottstown store, with a scarf pin.\* Mr. Cuddy assumed his new duties yesterday.

IRON FROM FURNACE The first iron dumped from blast furnace No. 2 since it was put into operation yesterday after undergoing extensive repairs, this morning was in very good condition, according to officials of the plant. An official said the product was exceptionally, good for the first cast and from pres-ent indications the furnace will likely set up a new record run.

## **NOTES ON SALE**

of indebtedness is a part of the gov

of indebtedness is a part of the gov-ernment program to prepare for the next Liberty Loan, which is ex-pected to come some time during October or November. As the largest one of the war, the short term certificates are expected to aid in floating the loan without overtaxing the resources of the banks. **Bcat 4'4'**, **Per Cent**. The short term certificates of in-debtedness pays interest at the rate of 4'9 per cent. Every bank is re-quested by the Treasury Department to subscribe to the amount of 5 per cent. of its resources monthly. Every bank, according to the national pro-gram, should subscribe twenty per vember 1, in short term certificates of indebtedness. The short term certificates pur-chased by the banks this week will become due on October 24. They will then be exchanged for Liberty weeks from yesterday the second lot of short time certificates will be on sale, when the banks are ex-pected to subscribe the remainder of the first five per cent. of their re-sources. The government expects to issue

## **PLAN TO HONOR** LOCAL SOLDIERS

Effort Being Made to Erect a Monument For Steelton "Fighters For Democracy"

Erection of a marker on which will be placed the names and deeds of Steelton boys in the service of their country will likely be the result of a move started by the Municipal League at the last meeting of the season last evening. At last night's session a commit-

appointed to take up the move in detail and report at the next ession of the welfare organization The committee is composed of E. C. Henderson, chairman; H. E. Gal-Use McNeil's Cold Tablets .- Adv

lagher and W. F. MacGinnis. o those erected by boroughs and

diers in the borough and brief men-tion of their deeds. The monument will be erected in the principal part of the town, according to prelimi-nary plans. The league committee was instructed to get in touch with officers of the Civic Club to enlist their support in the move. To discourage the practice of de-stroying crops in the Kelker estate war gardens, Burgess McEntee, pres-ident of the league, informed mem-bers that a special officer will be ap-pointed to patrol the place. Small boys have recently been destroying crops of war gardens and by this move the Burgess hopes to break it up. Bunday school

**RESERVES TO ELECT** Election of officers and discussion of plans to arouse more interest and annual meeting of the Steelton Re-serves, to be held in Felton Hall on Friday evening at 8 o'clock. For some time, an officer said to-day, nembers have been losing interest in the organization and some action must be taken to instill a warmer pirit in the work. What method ill be applied this officer was not ble to say. **REPAIRING TRACKS** Repairs to the street car tracks of the Harrisburg Railways Com-pany in Front street near Adams street, was being carried on by a large force of workmen to-day. This section of tracks has been given the company officials considerable trou-ble since the break in the water main at that place some time ago. **FIFTEEN REGISTER** Up to noon to-day, Chief of Police Grove reported the registration of

# Music---Is a War-Time Economy

As a means of furnishing entertainment and recreation, music in the home has come to supplant the more expensive forms of amusement.

Many evenings that ordinarily would be spent in seeking diversion outside are now spent in the home, resulting in greater happiness and financial betterment.

Pianos

Have you music in your home? If not, see us about it

**ICE STATIONS** will be placed the names of all soldiers in the borough and brief men-**IN STEELTON**
