\$640,000 IN WAR STAMPS PLEDGED

Total Reached in Cumberland County Exceeds Allotted Quota by Big Margin

Mechanicsburg, Pa., July 1.—Great interest was shown in the War Savings Stamp pledge meetings held here on Friday, and in the rural districts, notwithstanding the fact that it is an unusually busy time for the farmer, who is engaged in harvesting his crops. But the work comes from all sections that Cumberland county will sustain her record in war drives, and is steadily advancing to the top.

Up to June 1 the cash sales amounted to \$300,000. Pledge week in May netted \$90,000 and it is estimated that the sales since then, including Pledge Day on Friday, will add to this amount \$250,000, making in all approximately \$640,000.

While all the meetings held on Friday were successful and indicated real patriotism, several localities stand out conspicuously for contributing large amounts. Among these were Shiremans town, pledge \$10,000, which is \$1,200 more than its quota; Allendale, in Upper Allen township, pledged \$4,800; Maple Grove, Monroe township, \$5,800, and Shippensburg, \$30,000. Since the time for this drive has been extended to the evening of July 4, other amounts will come in and many localities roll up larger sums according to present indications.

George E. Lloyd, assistant state director, expressed himself as highly gratified with the patriotism and sacrifices of the people of Cumberland county.

DAUGHTER LOSES RACE WITH DEATH

Mrs. Myrl Myers Called Home From Swatow, China, on Mother's Fatal Illness

Mechanicsburg, Pa., July 1.—Hastening across the Pacific Ocean from Swatow, China, as fast as steam will carry her, owing to a cabled message of the serious illness of her mother, Mrs. Stillman Brown, of Toledo, Ohio, Mrs. Myers, wife of the United States consul at Swatow, Myrl Scott Myers, will be met upon her arrival with the sad news of her parent's death on June 29.

Well-Known Carlisle Doctor Called to Medical Corps

Carlisle, Pa., July 1.—Calling for active service of Dr. Elmer A. Hudson, of Carlisle, who some months ago was commissioned a first lieutenant in the Medical Reserve Corps of the Army, marks the sixteenth call of its kind which has been answered in the period since the war started. Dr. Hudson expects to go to Fort Oglethorpe, Ga., during the present week. These physicians and surgeons who have been called to the service are about two-fifths of those practicing in the county one year ago.

JEWISH RESIDENTS TO MARCH IN JULY 4 FETE

Jews of the Keshet Israel congregation were urged to march in a body in Harrisburg on Independence Day parade on Thursday despite the fact that many of them belong to fraternal organizations, at special Torah services yesterday. Rabbi Silver was in charge and Rabbi Silverstone, of Washington, delivered an address. The Rev. Mr. Cohen, a cantor singer of Brooklyn, rendered several selections. The choral orchestra furnished instrumental music.

Members of Dauphin County Six Local Draft Boards Complete Year of Service

Reading from left to right the C. Thompson, A. H. Bailey, John C. Orr, Allen Drawbaugh, George W. Karmany, C. C. Cumbler, Dr. Thomas E. Bowman, Dr. Frederick Smith and H. K. Bowman.

Dauphin county's local draft boards have completed a year of strenuous activity. The labor of the boards upon whom has rested the responsibility of selecting hundreds of men for the National Army has been nothing less than stupendous. Three of the boards operate in the city and three in the county. Upon the members rested the responsibility of classifying the thousands of registration cards, getting out the questionnaires and determining the classes into which the registrants should be placed and finally selecting the men to fill the many quotas that have been made upon the districts from time to time. All this work has been carried out without a hitch. Now the boards are engaged with the work of getting hundreds of newly-registered youths of 21 ready for military service.

MILLION MEN IN NEW JOBS TODAY

(Continued from First Page.) been listed as unessential is being done, investigations revealed the men of draft age have found other positions. Older men have been called in the service to fill some of the vacancies while others are being filled by women and girls.

The greatest blow of the order fell upon hotels. Here but a few houses reported youths liable for service in their service. Bartenders, bellhops, elevator operators, all have found new jobs. At the Metropolitan Hotel this morning, officials reported a half dozen girls were now employed filling the positions formerly filled by young men who deemed it wise to enter some work considered essential by government officials. They are serving as bellhops and elevator operators.

The Columbus Hotel is another concern that is looking for more girls to fill the positions of men. Practically every youth has left the hotel service, so these women are desired to act as bellhops. Other hostesses this morning made similar reports. All of these have lost practically every youth and are using older men and women.

Get Munitions Jobs Harrisburg industrial plants have found positions for many Harrisburg youths who have deemed it wise to leave positions that they have held previous to the issue of Provost Marshal General Crowder's order. Some few late comers even this morning went to these places where they found ready employment.

The Harrisburg Pipe and Pipe Bending company in its several departments has found positions for no less than one hundred Harrisburgers since the issue of the order. It was said this morning. The Central Iron and Steel Company likewise has been able to use a large number of Harrisburg youths, but no definite figures were available this morning.

At the Bethlehem Steel Company others have found places for their efforts. Of course none of them secured employment as machinists unless they had previous experience along this line. Some youths have secured employment as laborers, but neither were definite figures ascertainable at the plant this morning. The Pennsylvania Railroad, the government plants at New Cumberland and Middletown, and other industrial plants of Harrisburg and vicinity doing essential work, have given "men's jobs" to many Harrisburg youths.

Washington, July 1.—General Enoch Crowder asserted today that 1,000,000 men of draft age have been shifted from their old jobs to jobs directly connected with winning the war, as a result of his order promulgated five weeks ago that draft men must "work or fight." Women have taken the places of 500,000 of them.

The Provost Marshal General's estimate is based upon a careful compilation of returns from all over the country made by his office force. Beginning to-day every man on the draft lists who cannot show that he is working at a job which is essential to winning the war is subject to immediate transfer into the army. This rule, however, will be tempered with mercy in many instances where a sudden change would work hardship upon dependents. Local boards are to pass upon each individual case, applying the general rules given by his office force.

The war job rule is only a part of the work the provost marshal's vast machine is carrying out. Simultaneously every man not in class 1 is undergoing scrutiny. In thousands of instances it will be found that the causes which put the registrant in a deferred class have disappeared and he will be moved up into class 1.

250 ALIENS ARE MADE CITIZENS

Interesting and Novel Session of Adams County Court at Camp Colt

Gettysburg, Pa., July 1.—An interesting and novel session of the Adams county court was held on Friday afternoon, the Y. M. C. A. tent at Camp Colt being the court room. The President Judge, Donald P. McPherson, and the two associate judges, E. P. Miller and W. Howard Dick, with Prothonotary G. Harry Roth and Court Crier Lightner making up the official party. Two hundred and fifty-five aliens who are members of the ranks were naturalized and sworn in as citizens of this country, the men being vouched for by their company commanders. The administering of the oath of allegiance was a specially interesting proceeding as the men were called by nationalities. Between one hundred and forty and one hundred and fifty subjects of Great Britain appeared in a body. Smaller contingents came from France, Belgium, Austria, Denmark, Greece, Hungary, Italy, Russia, Serbia, Sweden, Turkey and Mexico. All the men were apparently happy over being made Americans. Another naturalization court will be held on July 15 and already there are thirty-five applications pending for that day.

THAT EGGY TASTE IS GONE? HE SAYS

Appetite Has Come Back and He Feels Better in Every Way. PRAISES TANLAC. "I don't know just what my trouble was but I know I felt all right," says Benjamin F. Stow, a temperate man at the Bethlehem plant, who lives at 315 N. 13th St., Harrisburg. "I had no appetite and I always had an eggy taste in my mouth. 'I'd heard a lot of the men around in the shop talking about Tanlac so I thought I'd try it, maybe it will fix me up and sure enough it did. Just fixed me right up in no time at all. 'Now that eggy taste is all gone, my mouth feels clean and my appetite has come back strong. I've gained four pounds already and still all the men were apparently happy over being made Americans. Another naturalization court will be held on July 15 and already there are thirty-five applications pending for that day."

Emphatically Asserts Worn Out, Lagging Men Can Quickly Become Vigorous and Full of Ambition

Don't blame the man who is perpetually tired; his blood needs more red corpuscles and his brain and nerves are craving for food. Given the right kind of medicine, any tired-out, inactive, lagging fellow can quickly be made into a real energetic and even ambitious man. So says a student of the nervous system who advises all men and women who feel worn out and who find it hard to get up ambition enough to take a regular job to get a package of Bio-ferein at any drug store. This is the new discovery that pharmacists are recommending because it is not expensive and speedily puts vigor and ambition into people who despaired of ever amounting to anything in life. People whose nerves have been wrecked by too rapid living, too much tobacco or alcohol, have regained their old-time confidence and energy in less than two weeks. No matter what cause your nerves went back on you; no matter how run down, nervous or tired you are, get an original package of Bio-ferein at once. Take two tablets after each meal and one before bed-time—seven a day for seven days—then one after each meal till all are gone. Then if you still lack ambition; if your nerves are not steady and you haven't the energy that red-blooded, keen-minded men possess, your purchase money will be gladly returned. Note to Physicians: There is no secret about the formula of Bio-ferein. It is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate; Manganous Peptonate; Est. Nuc. Vomica; Powdered Gentian; Phenolphthalein; Oleoresin Capsicum; Kola.

HERE IS ONE THING THAT IS ABSOLUTELY IMPOSSIBLE

Rheumatism Has Never Been Cured by Liniments or Lotions, and Never Will Be. You never knew of Rheumatism—that most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such measures. But why be satisfied with temporary relief from the pangs of pain which are sure to return with increased severity when there is permanent relief within your reach? Science has proven that Rheumatism is a disordered condition of the blood. How then, can satisfactory results be expected from any treatment that does not reach the blood, the seat of the trouble, and rid the system of the cause of the disease? E. S. S. is one blood remedy that has for more than fifty years been giving relief to even the most aggravated and stubborn cases of Rheumatism. It cleanses and purifies the blood by routing out all traces of disease. The experience of others who have taken E. S. S. will convince you that it will promptly reach your case. You can obtain this valuable remedy at any drug store. A valuable book on Rheumatism and its treatment, together with expert medical advice about your own individual case, will be sent absolutely free. Write to-day to Medical Department, Swift Specific Co., 431 Swift Laboratory, Atlanta, Ga.
