ARE ADVERTISED MEDICINES WORTHLESS

There is no more reason to condemn all advertised medicines than there is to condemn all physicians or all druggists. Fakes there are in every profession and in every trade, but they do not last long. Take a medicine like Lydia E. Pinkham's Vegetable Compound, the true test of its merit is the fact that for forty years it has been relieving women of America from the worst forms of female ailments, constantly growing in popularity and favor, until it is now recognized from ocean to ocean as the standard remedy for female ills.

NEWS OF STEELTON

MANY FOREIGN BORN IN PARADE

Large Number of Steelton Residents Take Part in Day's Activities

Steelton's foreign-born residents yesterday displayed their unflinching loyalty to the United States by turning out in large numbers to walk the streets of Harrisburg in an effort to impress upon the people that they are foreigners in name only and are back of this Government in all war work. Several thousand foreigners were in line and made a splendid appearance carrying American flags, and many of them in their native costumes. What few persons still allow the hyphen to creep in the names of these foreign born were compelled to forget the hyphenated names after seeing the patriotic spirit and willingness with which these foreigners marched along.

That residents now include these foreign born among the loyal Americans was demonstrated by the applause which greeted this division all along the line of march. The paraders showed their appreciation of the applause by nodding their heads in the direction of the applauders, and both American-born and foreign-born had the same warm feeling for each other that has been evident in recent war fund drives in the borough.

A large number of employes of the local steel plant were in line. These men, in charge of their foremen and superintendents, made up part of the workmen's division and made a fine appearance. Sixty employes of the Bethlehem Mines Corporation in floats were in the parade. The Steelton, Bulgarian-Balkan and First Cornet Bands furnished music for various organizations in the procession.

PATROLMEN IN HARRISBURG Chief of Police Grove and five patrolmen of the local police force were in Harrisburg yesterday morning, assisting in taking care of the big crowds during the parade. Patrolmen in city service were Bowermaster, Behman, Winn, Trombino and Burrell. During their absence three patrolmen took care of activities here.

Great Battle Expected at Cottage Hill on Saturday

To-morrow at 2.30 o'clock the Steelton club will be lined up against the famous Bethlehem bunch which includes "Left" Tesreau, recently star with the Giants; "Faddy" Baum, whose departure for Schwab's playgrounds disrupted the Toledo team; "Babe" Womblesy, Matty Hatfield, and a dozen other celebrities of the diamond. Local fans will have a chance to ogle the eccentric "Buck" Doyle, who never makes less than two hits in each battle. This will be one grand entertainment, with "Lefty" Pierce pitching for Steelton and Edmondson back of the marble. The game starts at 2.30 and the fans will have the pleasure of seeing some luxuriant umpiring on the part of "Augy" Moran, who recently spent ten days back with the majors, just to help them out, but who is now the premier arbiter in the Schwab league.

Bethlehem lost out yesterday to Fore River, with Tesreau working, so that the big Giant is not likely to be seen in action here, unless to do first aid duty.

Place Sixty Coke Ovens in Operation at Steel Plant

A battery of sixty coke ovens were charged at the local steel plant late of the afternoon on Tuesday. The ovens will be drawn likely sometime on Sunday according to officials of the plant. With this battery of ovens, which is one of the units of the Schwab improvement program, the local plant will have 180 ovens. This number of ovens will not produce enough coke to operate the local plant and it will be necessary for officials to get a portion of the fuel elsewhere. The ovens were constructed by the H. Koppers Company, of Pittsburgh.
