BEEF ORDER IS MODIFIED TO PREVENT WASTE

Hotels and Restaurants May Serve Roasts or Steaks One Meal a Day

While it is necessary to continue a most careful conservation of the beef supply, it has developed that, owing to the shortness of the previous regulatory notice, there have been left supplies of dressed beef in the hands of the trade that are not in good keeping condition, and to avoid loss by spoilage, it becomes necessary to modify the rule of June 22, and the State Food Administrator has issued the following ruling:

PROFIT ON SALE OF CHEESE CUT BY FOOD ORDER

New Ruling Made Necessary When Dairy Product Was Substituted For Beef

Cheese is the latest article of diet to which the Pennsylvania State Food Administration has given its attention, regulations having just been announced by Howard Heinz, state administrator, to regulate the amount of profit to be made in the sale of cheese by dealers.
