

BANDITS HOLD UP PASSENGER TRAIN, ESCAPE IN AUTOS

Shoot Three Persons and Loot Mail and Express Cars in Kansas

Paola, Kas., July 11.—A posse of two hundred men to-day was patrolling the banks of the Marais de Cygne river near here awaiting the signal to rush a large patch of timber in which it was believed were hiding a dozen men who late last night held up a Southbound Missouri, Kansas and Texas passenger train at Koch siding, just south of Paola, shot three persons, looted the express and mail cars and made their escape in automobiles.

Wounded Trainmen and Woman. Details of the robbery in which two of the train crew and a woman passenger were wounded by bullets from the bandits, as related by railway employees, seem to indicate the robbers "shot up" the train to terrorize the passengers and crew. No attempt was made to rob the passengers. The engineers and firemen were forced into the smoking car. The doors of the smoking and day coaches were locked and several of the robbers ran up and down the aisles, shooting into the floor and into the roof.

Others of the bandits boarded the mail and express cars uncoupled them from the rest of the train and their own men at the engine throttle ran out to the main line. As they passed the standing coaches they fired into the windows. "Throw Safe From Car" A mile north of the siding the mail and express cars were stopped and the robbers proceeded to rifle them, throwing the contents from the car and breaking it open. They are said to have taken a quantity of registered mail. According to the express messenger and mail clerk who also were forced into the smoking car with the engine crew, there was not a large amount of money in either car.

Elks Ban Languages of Enemies From Order

Atlantic City, July 11.—The B. P. O. of Elks took further patriotic action here when at the session of the grand lodge, where the languages of the countries at war with the allies were banned in the brotherhood lodges and clubs all over the United States and her possessions. The resolution was passed with a hurrah, following a speech by Samuel Compers, grand master of the American Federation of Labor. The resolution, as first framed, was directed only at the German language. It was later amended to include the languages of all enemy countries. A resolution fathered by the Brooklyn delegation, led by Congressman John J. Delaney, to appropriate \$100,000 for the Navy Relief Society, was referred to the War Relief Board, of which former Governor John K. Tener, of Pennsylvania, is chairman. Judge John H. Reilly, of Indiana, reported that more than 100,000 waifs of the big cities and towns in America have been helped by the "big brother" movement of the order. He said more than 40,000 little brothers are being looked after now.

COMMUNITY CHORUS FORMED Enola, Pa., July 11.—A community chorus of ninety voices was organized at a meeting on Monday evening in the Summit street school house. J. G. McDonald was elected president. The other officers chosen are: Vice-president, Banker E. Shull; secretary, Mary Strickner; treasurer, H. G. Hassler; pianist, Margaret Hassler; leader, Adam Bainbridge. An effort will be made to have Prof. John W. Phillips, leader of the Grace M. E. Church choir of Harrisburg, instruct the chorus several times each week. A general meeting will be held next Monday at which time a constitution will be adopted.

STUDENTS FOR TRAINING CAMPS Gettysburg, Pa., July 11.—Gettysburg College comes under the order which allows colleges which have the minimum of one hundred able-bodied students in training, to send men to officers training camps to be conducted for sixty days at Plattsburg and other points. The large army being equipped by the government makes necessary the training of a great many men for officers and those going to the camps will be given plenty of hard work to fit them for the positions.

OPEN AIR CONCERT Marysville, Pa., July 11.—An open air band concert will be given by the Marysville Cornet Band, next Monday evening. It will start at eight o'clock on the broad pavement opposite the store of Ralph N. Hench, corner of Valley and Verbeke streets. Announcements to this effect were issued to-day by director D. D. Fisher.

REPLACING LIGHT POLES Marysville, Pa., July 11.—A party of seven workmen, under the direction of Frank S. Kirk, superintendent of the Newport office of the Juniata Public Service Company, which concern supplies Marysville with electric current, is now at work replacing electric light poles at the borough that are in poor conditions. Twenty-five or thirty poles will likely be replaced.

SERVICES FOR MRS. GRADY Marietta, Pa., July 11.—Funeral services for Mrs. Almira Grady, widow of Henry C. Grady, of Marietta, were held to-day and largely attended by relatives and friends from Lancaster, Philadelphia, Harrisburg and other places. Mrs. Grady survived her husband six months to the day and was seriously ill when she was buried. The Rev. W. W. Moyer, of Zion Reformed Church, officiated.

STONE 200 YEARS OLD Marietta, Pa., July 11.—Joseph McFalls has purchased an old Franklin wood burning stove which was made in 1721, in Harford county, Maryland. It is in excellent condition, and has attracted considerable attention.

LIEUT. ROOSEVELT BRINGS DOWN HUN AIRMAN ON FRONT

Becomes Separated From His Comrades and Engages Enemy Plane; Makes Escape

With the American Forces on the Marne, July 11.—Lieutenant Quentin Roosevelt, the youngest son of ex-President Roosevelt, brought down his first German airplane this afternoon in the fight north of Chateau-Thierry. Lieutenant Roosevelt, with three other pilots, was flying at a height of 5000 yards eight miles inside of the German lines, when the machines became separated. Soon after, Roosevelt saw three planes, which he thought were his companions and started to join them. He was closely approaching the machines from the rear when he saw his mistake. For the planes were German. Roosevelt immediately opened fire, and after fifty shots tracers penetrated the fuselage of the nearest German machine and it went into a spinning nose dive, falling through the clouds 2000 yards below. The lieutenant is certain it must have crashed, for no pilot voluntarily goes into a 2000 yard spinning nose dive. The two remaining German airplanes attacked Roosevelt, but he managed to make good his escape and returned to the field himself and his machine unscratched.

American pursuit planes flying in squadron formation penetrated German territory north of Chateau-Thierry for a distance of fifty miles to-day and chased several German machines which they encountered. The Americans secured considerable information as to the preparations being made by the enemy. They flew over many newly constructed German flying fields, including one believed to be occupied by the famous Richofen flying circus. The planes were at a height of 5000 yards, in the course of a great part of the flight. All the Americans landed safely.

SKIP-STOP ORDERS FOR WEST SHORE

[Continued from First Page.]

no conditions stop the car when it is not absolutely necessary. Passengers to Aid Newly painted "car stop here" signs have been posted at every stop on all the lines. Passengers are requested by officials to look for these signs when wishing to get on a car. Following a survey of the lines by the company officials last week, a list of stops to be discontinued was worked out. On Tuesday company officials together with members of the Cumberland county fuel administration made a tour of the lines to see if the new schedule of stops was satisfactory to the fuel administration. After making a careful study of the lines, the Cumberland county Administrator Bedford, of Carlisle, notified the company officials that the list was satisfactory.

Few stops have been discontinued in Shiremanstown, Mechanicsburg and New Cumberland, as the borough councils in these boroughs notified the company to discontinue stops in the boroughs where the officials thought it could be done. These boroughs were the only three on the West Shore to take this action. The list of stops on the lines announced to-day is as follows:
