FIGHTING FOR BETTER SERVICE

President of West Shore Firemen's Union Says Trolley Conditions Retard Towns

Wormleysburg, Pa., July 11.—In the opinion of Burgess J. Fred Hummel, president of the West Shore Firemen's Union, it would be unfair to the residents of Wormleysburg and Lemoyne for the Valley Railways Company to increase the fare to the city on these lines.

In explaining why he made the accusations, President Hummel said that these two towns are not provided with individual service and consequently are compelled to use the cars going through the town, which are always filled before they reach the boroughs, especially during working hours.

Arrangements for the presentation were made by a railroad committee, which included George S. Picklinger, chairman, J. Harvey Bratton and Arthur Van Camp, all of the local yards.

Mr. Eppley has his long service for the Pennsylvania Railroad in 1888, when the company was an engine driver in the old Marysville roundhouse under Foreman J. C. Finck, and has been in continuous service ever since.

Workmen from the local yards who paid their respects to Mr. Eppley last evening were: Harry Bratton, George S. Picklinger, William A. Pennington, John W. Ashenfelter, Oscar W. Heishler, W. W. Kerstetter, Albert, William H. Quicke, P. D. Shearer, Harry Sheffer, H. A. Ellenberger and Charles McNeely.

My internal method for the treatment and permanent cure of piles is the correct one, thousands upon thousands of cured cases testify to this, and I want you to try this method at my expense.

Insures Dyspeptics Against Indigestion Follicles Obtainable of Any Druggist

What is virtually an insurance policy against indigestion, gastritis, sour stomach and dyspepsia is now obtainable of Bi-nesta Tablets. If you suffer from pain after eating, if food disagrees, or if you have any of the above in any form, get a package of Bi-nesta Tablets. Then go home and eat anything you wish and take three of the tablets if you aren't delighted with the results. Bi-nesta Tablets don't keep you entirely free from the usual pain and discomfort, return the guarantee contract—your insurance policy—and the \$50 you paid will be refunded. In other words, Bi-nesta is sold under the fair and square plan of "Payment for results." If Bi-nesta does not stop the pain or if you are not absolutely satisfied, it costs you nothing; you can have your money back for the asking; and the druggist to whom you buy it is authorized to stand back of this guarantee.

Every Meal a Poisonous Injection

Few folks suffering from kidney and bladder troubles ever think that the meals which they are taking are hastening their death. Every morsel of food taken gives up its quantity of uric acid. This poison is taken into the system through a diseased condition of the kidneys and bladder. In the healthy man nature provides an outlet for this poison. Those in ill health must take a medicinal help to drive this death-dealing poison from the system. For over 200 years GOLD MEDAL Haerlem Oil Capsules have been doing this work.
