Zion City Prophet Predicts Peace Terms. Chicago—The marines may win—or lose; the Germans may press offensives or retire; success for the Allies may seem, at times, to hang in the balance—but it makes no difference. For the outcome of the war is already determined, and Voliva—Overseer Wilbur Glenn Voliva of Zion City—conversing with prophecy, tells us all about it. "The Roman Empire was the old Roman Empire will be restored and ruled by a federation of ten allied nations," he says. "Belgium will have to be given up; all of Germany south of the Rhine and all of Austria south of the Danube, Turkey and Bulgaria will have to be split from Germany. "Russia, like Germany, is outside the Roman Empire and therefore must sever relations with the allies." Berlin Becomes Pershing to People of New Orleans. New Orleans—Because everything Teutonic is more than obnoxious in this city of French customs and traditions the Board of City Commissioners by ordinance has erased Berlin street from the map and substituted the name of Pershing street. Now the Orleansian who returns to the city after an absence of several years is directed to Pershing street something like this: "Sonny," he asks a newsboy, "can you tell me where Pershing street is?" "Sure, Mike," is the grinning reply. "Where d'ye think Gen'l Pershing is headed for?" "Why, Berlin, of course," is the seeker of knowledge answers. "Well, then, mister, you go to Berlin and that's where you'll find Pershing." CARRIER PIGEONS MAKE FIRST-CLASS PIE. London—How a Portuguese regiment accepted a dozen carrier pigeons, worth \$15 apiece, from an English commander was related by Col. J. W. Slater, King's Liverpool Regiment, in a lecture at Witham, Essex. He said the pigeons were well trained and the English commander believed that the Portuguese officers, who were retreating their men near the British lines, would appreciate the gift. He did. A few days later a grateful reply was received from the Portuguese commander, stating that the pigeons had made a first class pie for the officers' mess. "Bill" Brown Becomes Sergeant in Engineers. "Bill" Brown, of Duncannon, formerly a reporter on the Harrisburg Telegraph, has been transferred to the Engineers Corps, at Camp Lee, and promoted from a private in the lowest rank of the service to a first class sergeant in the highest, according to a dispatch from Camp Lee. Brown left for camp last month. He was recently transferred from the Infantry to the Engineers Corps.
