D. A. R. Assists in Getting Camp Colt Diet Kitchen

MONDAY EVENING,

Members of Harrisburg Chapter, Daughters of the American Revolution, are interested in responding to a call from the state regent, Mrs. Anthony Wayne Cook, for the purchase by the state organization D. A. R. of a diet kitchen for Camp Colt, Gettysburg. The necessity for this diet kitchen is most urgent, as the sick can obtain food only from the mess tent. The camp hospital has 200 beds, which may be increased to 800 or a thousand.

The men at Camp Colt in the tank service are selected for their strength and efficiency, and 750 of them are college men. It is for these men that the diet kitchens are asked.

Members of Harrisburg chapter D. A. R. have been asked to send contributions for this purpose at once to the treasurer, Mrs. R. K. Spicer, 511 North Second street, who will forward them to the state treasurer, thus keeping up the chapter's reputation for prompt generosity in all war work.
