

Court Decides to Grant Liquor License Transfer

After postponing action on the transfer of a liquor license held by Albert Fritz, who conducts a bar and restaurant in Odd Fellows' Hall, Ighens, the court late yesterday afternoon decided to hear the case and after questioning Mr. Fritz authorized the transfer to a property two doors away which has been bought by him. It was explained in court that the lodge although not ordering Fritz to remove, desired to have the sale of liquor in the lodge building stopped as soon as possible.

CHARGED WITH THEFT

Mary Wilson and Nannie Jackson, and Mrs. Bessie Ivory, 1503 North Seventh street, were arrested on the charge of stealing a pocketbook containing \$52 from Emory Cothran, of Steelton. Cothran said that the Wilson woman was going to rent him a room, and after taking him to a room in Mrs. Ivory's house, disappeared and his pocketbook disappeared too. He secured a patrolman and the trio was arrested.

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to Be Added to Equipment of Hospital Corps at Fort Wayne.

Under the above heading the Detroit Free Press, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions increased in rawhide." The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. One war relief committee reports, of all the things sent out in their Comfort Kits, Allen's Foot-Ease received the most praise from the soldiers and sailors. It is used by American, French and British troops, because it takes the friction from the shoe and freshens the feet. There is no foot comforter equal to Allen's Foot-Ease, the antiseptic, healing powder to be shaken into the shoes and sprinkled in the foot-bath, the standard remedy for over 25 years for hot, tired, aching, perspiring, smarting, swollen, tender feet, corns, bunions, blisters or callouses. Why not order a dozen or more 25c. boxes to-day from your Druggist or Dept. store to mail to your friends in training camps and in the army and navy.

DRAFT BOARDS TO REPORT SOON

Additional Men Called For Special Training in University of Pittsburgh

All local and district draft boards in Pennsylvania have been called upon by State Draft Headquarters to make a report of the number of men in Class 1 as of Saturday, July 20. Separate reports are to be made of the 1917 and 1918 registrants. Telegraphic reports are to be made at noon of that day. The third call within five days for white men with grammar school education to be sent to the University of Pittsburgh for special training for the Army was received to-day. It is for 816 men and they are to be trained as chauffeurs, sheet metal workers, electricians and in similar lines. The previous calls were for 184 men. These calls are open to voluntary induction until July 22 for registrants of both years. After that time they will be filled by compulsory induction from the 1917 class. Voluntary induction calls have also been issued for twenty donkey engineers, fifty carriage men or doggers and twenty-four edgermen from saw mills, twenty-four chief engineers, stationary or portable; twelve millwrights, twenty assistant millwrights, twenty-two steam fitters and twenty setters or men experienced in setting cross cut saws, all to be sent to Vancouver, B. C. They will be engaged in producing spruce for airplanes in the great Northwest woods.

The quotas for the 5,000 men to go to Camp Wadsworth in the week of August 2 will be announced early next week. The movement of 1,500 men to Wadsworth, begun yesterday, is progressing and local boards are rapidly filling up the quotas for the Camp Lee movement which starts July 22.

Francis Fisher Kane, United States District Attorney, yesterday took steps to compel District Draft Board No. 2 to justify its alleged dereliction of duty in connection with the cases of Grover C. A. Bergdoll and 213 other registrants. Kane said that he had the entire draft situation in Philadelphia. Witnesses will be subpoenaed, Mr. Kane said, and the first man to testify will be Brent Greenwood, secretary of the district board and active executive official of that body. He will be required to inform the grand jury of the local boards from which names of delinquents were received, and then these officials will testify as to circumstances surrounding each individual case.

John P. Dewey, secretary of Philadelphia Local Board No. 32, Overbrook, names of some forty-two delinquents were sent to Adjutant General Beary to be posted as deserters, also will testify. He will be asked to present evidence, which he says he and all of it, he says, related to the manner in which the district appeal board is said to have failed in its duties.

Women Will Sacrifice Frills For Fourth Loan

Chicago, July 16.—The work of enrolling 100,000 women of the United States pledged to sell one-half of the Fourth Liberty Loan of \$6,000,000,000 was begun yesterday at a conference of representatives from all parts of the country under the auspices of the National Woman's Liberty Loan Committee.

"No new dresses," was a slogan of Miss Ella Flag Young, who in the absence of Mrs. W. G. McAdoo, chairman of the national committee, presided at the conference. "I haven't had a new dress for the past three years."

Many Harrisburgers Are in Attendance at Bible Study

Englewood, Pa., July 16.—Many Harrisburgers are in attendance to-day at the Bible Conference now in session here under the auspices of the Moody Bible Institute, of Chicago. Dr. James M. Gray, dean of the institute, delivered the opening address on "Bible Prophecy and War," and said while he did not believe this would be the last conflict of nations, he did believe that there will be a realignment of European nations which will make wars very much fewer in the future. Mr. and Mrs. Ralph Norton, just returned from the Belgian front, told a thrilling story of their Gospel ministry among the soldiers. "Mel" Trotter and the Rev. W. H. Griffith were among other speakers. Homer A. Hammontree, of the extension department of the institute, has charge of the music.

WHEAT TO SELL HERE AT \$2.15 A BUSHEL

Wheat will continue to sell at \$2.15 per bushel in Harrisburg as a result of the Presidential veto of the Agricultural Appropriation bill fixing the wheat price at \$2.40. The passing of this bill would have raised the grain price in this vicinity, although it would not have reached the figure fixed. The lower price for wheat in this section is because of the lower quality sold in this section. This is a soft winter wheat which is lighter than the first grade hard winter wheat. The figure at which wheat is selling here is twenty cents higher than that fixed last year, due to the Food Administrator's order that farmers shall not sell it for a figure less than \$2 per bushel.

Big Motor Truck Supply Train Halts on Circus Grounds For the Night

The first of a series of motor truck trains spent the night on the city circus grounds. Twenty-first from Greenwood streets, last night. The corps included an ammunition train of twenty-five immense five-ton army trucks. Truck trains are expected on the circus grounds every night this week and it is very probable that in the future the grounds will be used almost nightly. For months, trucks have been passing through the Lincoln Highway, passing through the city, and on a route over an Atlantic port, it is said. For military reasons it is impossible to divulge the destination of the trucks. As many as a hundred trucks have passed through Fulton county in a single day, it is said. The circus grounds are owned by S. F. Dunkle, president of the National Manufacturing and Boiler Company.

Bismarck Feels Name Is Standing Disgrace

Bismarck, N. D., July 16.—Agitation to change the name of Bismarck received added impetus here when it was found that in the night unidentified persons had obliterated the name on the Northern Pacific sign board with yellow paint. A six-foot sign, erected nearby read: "To hell with this block-headed Hun. What did he ever do for us?" Several downtown buildings to-day displayed signs which read: "Change the name of the city to something decent."

RED CROSS NOT TO ENTER POLITICS

Red Cross executive officials will not be allowed to become political candidates. This is the substance of a new order received this morning at the headquarters of the Harrisburg chapter, American Red Cross, in the basement of the Public Library. The order has been issued pursuant to instructions from the War Council and is above the signature of George E. Scott, acting general manager of the American Red Cross.

"No new hat ornaments," said Mrs. A. S. Baldwin, San Francisco. "No new clothes for the children or as few more as possible," said Mrs. Frank A. Vanderlip, member of the national committee, who explained that her own children are dressed in the blue denim "French peasant's" smocks.

The women leaders of the Nation emphasized that thrift must become fashionable to aid the new loan so that they might better the record made in the last loan when forty per cent. of the total sales were handled by women.

They now receive from 31 1/2 cents to 35 1/2 cents, depending upon their term of service with the company.

SAYS HIS WIFE IS DRIVING SPIRIT

Witness Declares She Urged Neighbor to Leave Husband

"My wife has a dominating, driving spirit and she and the Baker woman planned the whole thing. I knew it would happen long before it did. My wife and the other woman gloated over the matter and how easy it was to get a support order from the court." This was part of the testimony given by David H. Miller, of Enola, called to the witness stand by counsel for H. W. Baker, who was sued by his wife for support. Miller when cross-examined said he and his wife only talked when it was necessary to conduct the business of the home. "You're not living together are you?" he was asked. "Well, you'd hardly call it living together, we're staying together," was Miller's reply. Family and neighborhood troubles were aired at the hearing and finally President Judge George Kunkel said: "This woman isn't entitled to much of an order; technically she is, but from the evidence here she had no cause to leave her home." Mr. and Mrs. Baker finally agreed to live together again and will report in court in September. An uncle and an aunt of Mr. Baker, who had been living with them, said they would leave at once since it was testified by witnesses for the prosecution that they were the cause of family troubles. They said they had never heard Mrs. Baker make such a statement and felt sure that the Miller woman was causing the trouble, but rather than be the cause of keeping Mr. and Mrs. Baker separated they consented to leave. If you suffer from pain after eating, if food disagrees, or if you have any of the above mentioned forms of stomach trouble go to Geo. A. Gorras or any other good druggist and get a package of Bi-nesia Tablets. Then go home and eat anything you wish and take three of the tablets. If you aren't delighted with the results—if Bi-nesia Tablets don't keep you entirely free from the usual pain and discomfort, return the guarantee contract—your insurance policy—and the 50c you paid will be refunded. In other words, Bi-nesia is sold under the fair and square plan of "Payment for results."
