Open Hearth Furnace

After being idle for several days undergoing extensive repairs, open hearth furnace No. 21 at the steel foundry department of the local steel plant, was placed in operation to-day. Furnace No. 22, at the foun-dry department, will be placed in operation in a few weeks after being repaired and enlarged. This furnace when completed will have a capac-ity of thirty tons, while before en-larged the output was only twenty-five tons.

200 IN CLASS ONE

200 IN CLASS ONE About 200 registrants of the 1918 class have been placed in the first class, according to members of the local exemption board, this morning. Classification of the men has not been entirely completed and it is likely some additional names will be placed in the first class. There are now about 220 men in the first class, it was learned to day.

CHOIR REHEARSALS

Weekly rehearsals of the St. John Lutheran and Grace United Evan-gelical Church choirs will be held in their respective churches this evening at 8 o'clock.
