

IF ROSEWOOD WINS TONIGHT SHE WINS PENNANT, P. R. R. BOYS AT ALTOONA TOMORROW

P. R. R. BOYS PLAY ALTOONA

Local Club of Philadelphia Division Will Have a Real Battle Tomorrow

The biggest baseball game in Altoona of the present season is promised for to-morrow afternoon when the Harrisburg, Philadelphia division baseball team, will play the machine shop team in the Eastern Pennsylvania division, P. R. R. baseball finals. Play starts at 3 o'clock.

The Harrisburg team is the best in the state according to reports and a tight game is looked for. R. Irwin will oppose either Alcorn or Weaver in the pitching department.

Harrisburg has figured in the finals in Eastern Pennsylvania for the last three years. Middle division downed the Capital team four years ago in the final game due to Jim Plank's hot run. A year later Car Shop just nosed out a winner over the Harrisburgers.

Machine Shop, 5; Middle Division, 3; Harrisburg, 8; Schuylkill Division, 1; Car Shop, 12; Juniata Shop, 2.

Second Round Machine Shop, 4; Car Shop, 2; Harrisburg, bye.

Third Round Machine Shop vs. Harrisburg (final).

The Pennsylvania Railroad Baseball League is run on a system, all right. President George Quinn says that in following the protest of Manager Chad Fisher of Middle Division over the umpire's decision in the Middle Division-Juniata Shop game of Monday, July 15, the game was won in eight innings by Juniata Shop, 6-5.

Manager Fisher protesting a decision on the third batter in the sixth inning. The batter, it will be recalled, struck out and the third strike was dropped. No attempt was made to run out the error or to make the out by the runner on third scored, the run being counted.

President Quinn, after consulting officials and managers relative to the play, filed the following decision: "Under the provisions of Section No. 10 of the Rules and Regulations of the Pennsylvania Railroad Baseball League, in case of a protest, action has been requested through a play that occurred in the sixth inning of the Middle Division-Juniata Shop game of Monday, July 15.

"The protest was entered by Middle Division on a ruling made by Empire Gochouner in allowing the runner on third to advance on the error, which, however, had not been completed. The run enabled Juniata Shop to complete the seventh inning on the following day with a margin of one run.

"The protest was filed with the required twenty-four hours and all arguments clearly stated. Therefore, after due consideration and consultations, the following decision is reached:

"That the play as it occurred in direct violation of the playing rules, (see Rule 59, official American League rules), and that the run scored was illegal.

"It is further found that Middle Division would have been the real winner in the legal number of innings (seven), but in view of the fact that Juniata had one inning to play after the illegal run counted, and that perhaps, the team would have pursued different tactics with a run behind, to award the game to Middle Division as the protest benches, would be both unfair and unwise.

"Therefore, the team managers are hereby notified that the game be replayed in the regular order of postponed games and that notice be given to the official scorer to strike the game from the records."

Steelton Band Gives Splendid Concert Coventry Munition Strike Spreads 18,000 Workers

Harrisburgers were given a real musical treat last night when the Steelton band gave the first voluntary complimentary band concert at Reservoir Park. The numbers were roundly applauded.

Coventry, Eng., July 26.—By noon yesterday 18,000 of Coventry's 24,000 skilled workers were on strike. Altogether 80,000 workers engaged in the manufacture of munitions are affected.

The joint committee of engineering and allied unions, which urged that work be continued, pending a conference, has been repudiated by the strikers.

"DUTCH" LEONARD PITCHES AGAINST PLANK TOMORROW

"Dutch" Leonard versus Eddie Plank. That's the program for to-morrow at 2:30 o'clock when Steelton meets Fore River at Cottage Hill.

Leonard has been ripping round like a tank on a spree ever since he left Boston and hopped into Schwab's company. Last Saturday he held Leanan to 8 hits and enabled his team to win easily 4-0.

Leonard is in ace shape to contest honors with Plank tomorrow. The result of the Pennsylvania elimination to date: First Round Machine Shop, 5; Middle Division, 3; Harrisburg, 8; Schuylkill Division, 1; Car Shop, 12; Juniata Shop, 2.

Second Round Machine Shop, 4; Car Shop, 2; Harrisburg, bye.

EVERS TO PLAY WITH GIANTS

Not Jumping the Red Sox, but He Wants to Star Once Before Sailing Over

Don't be surprised to see Johnny Evers playing second base for the Giants to-morrow. The famous Cub player and now Knights of Columbus secretary, whose craftiness in a game at the Polo Grounds in 1908 caused the Giants to lose the National League pennant, has suggested to Manager McGraw that he ask the permission of the Red Sox to allow him to play this game, which might be his last appearance on this side of the Atlantic.

Johnny says his friends up in Troy have always wanted him to play for New York, and, inasmuch as he always has had the greatest admiration for McGraw and a fondness for the New York baseball, he would like to appear in just this one game in the Giants' uniform.

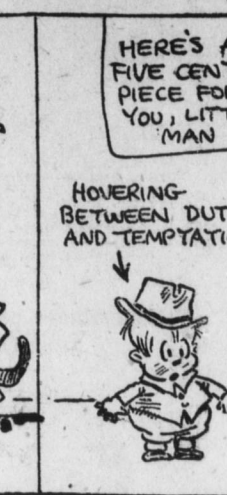

"You know," said Evers, "I am still under contract to the Red Sox. I haven't made up my mind what to do in regard to the matter. They have broken their contract with me and there isn't a court in the world that would decide against me. So you can see that it would be necessary to receive President Frazee's sanction in order to play. I don't want to give Boston a chance to say that I also broke the contract with them."

"I am sure that Manager McGraw could obtain the permission of the Red Sox to allow me to play. I have played for the Knights of Columbus and Red Cross this year, but I haven't as yet played in a regular major league game. However, I am in fair condition. In fact, I am in good enough form to play this farewell game."

"Because of the trouble that the clubs are having to put two first class lines on the field, I think that I should prove a considerable attraction in a New York uniform, which I battled against, tooth and nail, for sixteen years, as a member of the Chicago and Boston teams."

Plans have been completed for Evers' sailing to France as a K. of C. secretary and it won't be long before he bids the U. S. A. "an revoir."
