STATE AHEAD IN INDUSTRIES

Commonwealth Would Easily Win Prize For Supremacy, Says Trade Bulletin

Pennsylvania would easily win a prize for industrial supremacy among the states of the United States, the monthly bulletin of the Pennsylvania Manufacturers' Association, says New York leads the country in the amount of revenue collections, but deducting the amount collected from the Wall Street district, which really should be credited to the whole country, the bulletin says, Pennsylvania will be out in the lead.

were men in both armies that fought the decisive battle of New Orleans. "Between April 1 and July 1 it is estimated that this state will have furnished 75,000 drafted men to the Army, which is seven times the number of Spanish soldiers surrendered to Shafter at Santiago and six times the number that laid down arms at the capitulation of Manila.

under the call of the nation about as many men as were in the Army of Napoleon at Waterloo. "These figures represent only the men who have been drafted from Pennsylvania. They do not include the men who have enlisted in the Regular Army, the Navy or the Marine Corps, or the young men who have become officers.

Guardsmen, who volunteered and the men who went into the Regular Army and Navy since the war began, the drafted men make the share of Pennsylvania in our armed forces greater in number than the two armies at Gettysburg.
