

**EAGLES MAY NOT MEET NEXT YEAR**

War Continues, Convention Decides Session Should Be Omitted

Pittsburgh, Aug. 1. — If the United States is still involved in war next year it is quite possible there will be no convention of the Fraternal Order of Eagles, as it was decided in yesterday's convention to leave the matter of next year's meeting to the incoming officers, and to whom the whole matter will be referred with the recommendation that if the membership continues to be depleted by men going into the service, as they are doing now, the 1919 convention will be eliminated.

The business session also passed finally the war assessment of ten cents a week on every member, so as to pay \$1,000 to the families of men killed in the service during the war. With more than 25,000 Eagles in the Army and Navy, it is believed that these death benefits will be immediately called for.

The following nominations for next year's officers were made: For worthy president, A. B. Duncan, of St. Joseph, Mo.; grand worthy vice-president, Judge Elbert D. Weed, of Helena, Mont.; grand chaplain, John F. O'Toole, Pittsburgh; grand secretary, John S. Parry, Kansas City; grand treasurer, Joseph H. Dowling, Dayton, Ohio; grand conductor, J. B. Henderson, Pittsburgh; grand inside guards, A. B. Collins, Wellsburg, W. Va., and J. F. Abner, New Haven, Conn.; grand trustee, Henry Beck, Seattle, Wash.; John Gundaker, Des Moines, Iowa; J. W. Heller, Jr., York, Pa., and George Morgan, Buffalo.

**American Plane Men Attack Hun Scouts**

By Associated Press  
With the American Army in France, Aug. 1.—Aerial activity was greatly increased yesterday owing to the fact that the weather was generally clear. American aviators undertook reconnaissance missions, chiefly, but the pursuit machines also were in the air. American flyers attacked two German scouts over Montsec, in the Woivre, and drove one enemy plane down.

The Germans put over a heavy barrage in the Woivre sector this morning. It lasted more than half an hour, and it is probable that they sent infantry across behind the barrage. But their fire was entirely wasted, as the positions had been evacuated.

The destruction of a German balloon on July 29 has been verified, and another was brought down yesterday.

**York Hotel Man Held on Espionage Charge**

York, Pa., Aug. 1.—Cornelius B. Landis, a wealthy hotel proprietor, furnished bail yesterday for a hearing before United States Commissioner Samuel B. Meisenholder on a charge of violating the espionage act. It is charged that Landis applied profane language to four members of the United States naval reserves and spoke disrespectfully of their uniforms. G. E. Pollman, a government naval inspector, is the prosecutor. Landis was arrested at the direction of the United States district attorney at Scranton.

**Camp Commander Gives Worried Husband Liberty**

Camp Dix, N. J., Aug. 1.—Major General Hugh L. Scott, in command here, yesterday suspended sentences of one year's imprisonment imposed on Private Samuel L. Lamplugh, of Wilmington, Del. Lamplugh was convicted by a court martial of overstaying his furlough. When General Scott learned Lamplugh had remained at home to aid his wife and children whom he found in dire need, he not only suspended the sentence, but ordered Lamplugh's colonel to make every effort to restore him to his family permanently.

**Soldier Writes Home on Silk From Hun Plane**

Williamsport, Aug. 1.—Mrs. Henry Bower, of Lycoming township, received a unique letter from her son, Frank Raymond Bower, a wagoner in the American army on the western front, who was recently wounded in action. The letter was written on a piece of fabricated silk cut from the wings of a German airplane brought down near Bower's station. It was the last message to Bower's home before the government's announcement of his misfortune.

**Supervisors May Not Tear Down Road Fences**

Chambersburg, Aug. 1.—Judge Gillan handed down a decision here today that a supervisor, when he finds the roads drifted with snow, has no right to take down fences without the consent of owner, in order to make passage for travelers. It is his business to keep the roads open. Judge Gillan decided that witness fees before magistrates are 50 cents per day instead of \$1.50, as allowed by some magistrates.

**First Units of American Jewish Legion in Palestine**

New York, Aug. 1.—Safe arrival in Palestine of the first two contingents of the American Jewish legion was announced last night by the Zionist organization of America. Recruited last spring, the men have been trained in Canada and England, and will join the Jewish regiment enrolled in London and already on the firing line with the British forces near Jaffa.

*"Always Reliable"*

# Tomorrow, Friday We Begin Our Semi-Annual Mark-Down Sale

Everything in Our Entire Stock Marked Down Except Collars

This clearance sale takes on a new phase this season. There are many things to consider in connection with holding a sale of such magnitude as Doutrichs Semi-Annual Clearance sale — Never before have merchants or the buying public been confronted in the same manner as they are to-day — It's hard to procure enough good merchandise to "supply the demand" — Fabric weavers, cloth manufacturers, underwear and hosiery knitters are all facing a crisis of "shortage of raw materials" — Many mills have had to close their doors because of this very serious shortage and naturally it affects the price of the finished product to the consumer.

Then, too, when you are forced to pay excessive prices for the necessities you actually MUST HAVE, you wonder where YOUR money goes — "Dollars" slip from your fingers like "quick silver" and very often you don't have much to show for it — Now we're coming to the point when we want to show you "true economy" and help you obtain "good merchandise" at lower prices than you ever expected; and in many cases at less than the present wholesale prices.

There are two "Big" reasons why we are able to hold this sale. The first and most important factor is that we have "great quantities" of Clothing, Shirts, Hats Underwear, Hosiery, Etc. — Our stocks were never in better shape — Consequently delayed shipments and congested freight, are not bothering this "Live Store," for we have every available inch of space crowded with seasonable merchandise — There's enough to supply your wants here.

The second reason is, we're going to convert these High Stocks into "cash" because we must have room for fall merchandise — In this Semi-annual Clearance Sale there will be absolutely NO "CHARGES," C. O. D. or APPROVALS of any kind — It is only by omitting these former privileges that we are able to sell at THESE LOW PRICES under present conditions and every article will be sold only on a

## "Strictly Cash Basis"

You see the advantages are all your own in this cash sale because it enables you to buy at rock bottom prices and you'll make no mistake by coming here and testing the real worth of so great an opportunity by making liberal purchases — If you don't have the money to-day come as early as convenient, but we urge you not to wait until the last minute — Here everything in our entire stock is reduced (except Collars). All "Shirts," "Underwear," "Hosiery," "Neckwear," "Pajamas," "Night Shirts," "Blue Chambray" and "Black Sateen Work Shirts" — "Men's and Boys' Trousers" and all
