

STEELTON PLAYS LEBANON SATURDAY IN LAST GAME OF SEASON AT COTTAGE HILL

LAST GAME AT STEELTON

Saturday's Battle With Lebanon Will Close Season at Cottage Hill

The last championship game at Cottage Hill will be played on Saturday with Lebanon, for although a game is scheduled with Wilmington on August 24, that game has already been played and the date is reserved for a great "carry-on" occasion when Harry Bent will manage one team from the steel plant, and W. W. Leck the other. The whole immense plant is to turn out, and a very lively program has been arranged in addition to the ball game.

The contest on this coming Saturday at Cottage Hill will be a most important one and fraught with big possibilities. Bethlehem is Steelton's closest neighbor now in the chase for pennant honors, and while Steelton has a lead at present of sixty-two points, these may easily be wiped out in the next six games. If Manager Cockill can get the team from Lebanon he will be in more secure position, and this may prove to be some job. Lebanon has a star player in Jess Buckles, who held Wilmington in check Saturday to four hits. He outpitched Dumont, and he seems to be getting better every time he appears on the mound on to Labor Day, when the Steel League season closes, Cockill will have a severe test to keep up the speed that Steelton has heretofore showed.

For to-day, Manager Cockill arranged a game with the Middletown Aviation team, starting at 3 o'clock. There was a likelihood of a very lively fray, for the Aviation boys have an idea that they can treat anybody rough. Yesterday the league leaders kept in shape by traveling to Burnham and meeting the fast club which represents that place for the first time in a long while. "Buck" Ramsey was seen on the rubber. The veteran did not last long, however, as "Lefty" Pierce finished the game.

Steelton did not wake up until the fourth when Burnham threw a pass. Knight doubled to center field. Beall singled, scoring Hunter. Kaufman fanned. McCarthy was safe on first when Womer muffed the ball, Knight scoring on the play.

In the eighth a triple by Hunter and a single by Beall gave Steelton the decision. The score:

WOUNDED THREE TIMES

Sergeant William Burner, of the recruiting station, has received a letter from his brother, Sergeant Harry B. Burner, stating that he has been wounded for the third time. He was struck in the chest by shrapnel, and badly gassed. He is now convalescing, he says.

AROUND THE BASES

Buck Ramsey started the game yesterday for Steelton, but when he fired the leather pill clear into the stands and endangered life and limb, Cockill gave him the hook. Lefty Pierce had a most sore trouble with the heat, but finally got together and pitched nice ball.

McCarthy, Steelton's new second baseman, hails from Louisville. "Mac" has been in the game for nearly years or more, and although he never appeared in the big show, is considered good enough for any major league club.

Brooke A. C., of York, defeated the Philadelphia and Reading team 2 to 1 at York by bunching their hits in the opening part of the game. After that the visitors played snappily and the scoring for the locals ceased. Owing to the threatening weather it was but a seven-inning game, for darkness intervened. Batteries: Brooks A. C.—Simpson and Breightrner; P. and R.—Lavan and Killinger.

Hal Chase has been suspended by Manager Mathewson at Cincinnati, and now fans will wonder what is wrong with King Harold, greatest grounder in baseball. Chase laid down on Stalling at St. Louis—de liberately threw a game. Stallings called in reporters and told them the facts, and said that either he would leave the club or Chase must. The weak-spined Yankee ownership let Stallings go and made Chase manager. He was the worst fizzle ever seen except, perhaps, Kid Elberfeld. Chase has a genius and in him—maybe he is a genius and should be excused.

Friday next is the day fixed as the time for the legal battle to decide whether it is an offense under the laws to play baseball on Sunday at Wilmington. Del. In the city court John Collier, in charge of the welfare work at the Harlan plant of the Bethlehem Company; William A. McGowan, the umpire, and nineteen ballplayers who played baseball on Sunday at the Harlan grounds, yesterday were arraigned under the law forbidding work on Sunday and the cases were continued as requested. The whole question will be argued at length and an appeal probably taken to the upper court, in case the lower court upholds the law. The men who are interested in Sunday baseball declare that if the law is upheld they will see to it that all of the amusement parks in this section and every other place of business or amusement is closed on Sundays in order that people of this state may become disgusted with the old blue laws and ask the Legislature for their repeal.

Heydler Now Acting President, Says Garry

Cincinnati, Aug. 8.—"While I regret to see John Tener quit the game, I was not in the least surprised to hear of his resignation," said President Herrmann, of the Cincinnati baseball club. "He resigned several months ago, but for the good of the sport we asked him to remain at the head of the National League. He did so under protest and we were glad to have him stay, but he is a busy man and his private interests take up the greater part of his time. I understand John Heydler is back on the job and will remain until Tener's successor is named. I have not the least idea who that man will be. In the meantime Heydler will act in Tener's place and I am sure everything will go along smoothly."

Baptists "Carry On" at Industrial League Game

Table with columns: LAST EVENING'S RESULTS, Newsies, 8; Baptists, 0. STANDING OF CLUBS, W, L, Pct.

It is indeed a rare evening when the Industrial League cannot dig up some excitement. Last evening the trouble was that the Baptists only had seven men to line up against the Newsies. The latter team is made up of lads from the Telegraph, Patriot and Evening News. They have been sticking together and playing clean ball. The Baptists, no doubt, mean well, but seem to lack team work. Last evening they claimed the umpire called the game in the third because of darkness, then on went the game and the Newsies allowed the enemy to grab out a couple spectators in order to complete the team. The Baptists appear to need a chap-eron. The score:

Campbell, American "Ace," Returning as a Trainer

Lieutenant Douglas Campbell, of California, who is officially credited with downing seven German planes, will soon leave for the United States with Captain Walter Lovell, of Boston, to organize training schools for student aviators for work at the actual fighting front. This will enable the graduate pilots to begin work as soon as they reach France.

The Hawaiian Swimmers Are Freed of Charges

New York, Aug. 8.—The members of the Hawaiian swimming team, now touring this country, were today absolved of charges of falsifying and increasing their expense accounts at a special inquiry by Amateur Athletic Union officials held in this city.

The members of the team, including Duke P. Kahanamoku, Harold Kruger, Clarence Lane and Manager Owen Merrick, appeared before a special investigation committee, consisting of F. W. Rubien, secretary-treasurer of the Amateur Athletic Union, and H. Oberbubbling and F. A. Niles, members of the board of governors.

Complete expense accounts, receipts and vouchers were submitted for examination and all questions were answered to the satisfaction of the committee. After the meeting Mr. Rubien said the Hawaiians had in no way violated the Amateur Athletic Union rules and that, on the other hand, their trip and exhibitions have been the means of arousing great interest in swimming throughout the country.

Who Said Pitchers Cannot Play Ball?

One of the wise men in baseball says there is an impression abroad that pitchers are not good ball players—that is, they cannot field or hit, or run bases, etc., or do anything except pitch. As a matter of fact, the majority of pitchers could easily qualify in a short time to play other positions on the diamond. Now and then we find an instance of a hurler who can play ball so well—both at the bat and in the field—that the manager is compelled to play him every day at a position other than his own.

"Babe" Ruth, the great pitcher of the Boston Red Sox, is a modern example. Ruth is not only a wonderful pitcher, but he has proved himself to be one of the heaviest hitters the game has ever known. He is hitting far above 300 and practically every one of his hits has been for extra bases—particularly favoring home runs and three baggers. Recently Ruth won four straight games for the Red Sox by hitting at the opportune moment. As a pitcher the best big "Babe" could have done in the same time would be to pitch a single winning game.

2,700 Pennsylvania Men Arrive in Spartanburg

Spartanburg, Aug. 8.—Twenty-seven hundred Pennsylvania draftees arrived yesterday, the last of six special trains reaching camp at 8.30 o'clock last night. The trip down was uneventful. There were no accidents and all of the men were in good shape upon arrival here although worn out by the long trip and the hot weather.

The draftees upon reaching camp found everything in readiness for them, their tents were pitched, cots ready for occupancy and warm meals ready to be served. They will be kept in quarantine for two weeks as a precaution against the introduction of contagious diseases in camp and during that time they will be examined and classified and given their regimental assignments.

Omar Temple, Knights of the Mystic Shrine, held a ceremonial session in camp last week using one of the large theater organs. A large class was carried across the allegorical hot sands of the desert. The festivities were continued until a late hour. There are many enthusiastic members of the order in camp.

FIND AGED MAN Henry Wilbert, aged 80, 1406 Vernon street, who wandered from his home Monday night, was found by workmen at Marsh Run yesterday. It is thought the heat affected the aged man's mind.

Cubs Depend Upon Veteran to Bring Home the Title

Jim Vaughn, the veteran pitcher of the Chicago Nationals, who is pitching the greatest ball of his long career. His fine work in the box has greatly helped the Cubs to retain their position at the head of the league. Vaughn's teammates and the Chicago fans are depending upon his clever work in the box to land the National League flag for the Windy City.

Wind Plays Hob With Targets at Chicago Shoot

Chicago, Aug. 8.—The high wind played hob with target sport here to-day, keeping down the scores. It tossed the targets around at a fearful clip. They ducked for the waters of Lake Michigan even quicker than they did yesterday, and the slow-pulling shooters who waited for the targets to come up to their usual height had poor scores. And this ducking on the part of the targets wasn't of any help to the backmark shot, either.

The preliminary handicap, the first of the handicap shoots in the Grand American trapshooting tournament was won by E. J. Buck, of Davenport, Ia., after a shootout with E. F. Woodward, of Houston, Tex. Both broke 96 targets. On the shootoff Buck broke 19 and Woodward 18. Buck got away to a bad start, losing three in the first 20, and from that time on he lost but one. Woodward lost his targets in different strings.

The scores of Pennsylvania shooters in the preliminary handicap were: George Cochran, Opton ..... 86 A. M. Hellman, Butler ..... 90 H. S. Craft, Cynwyd ..... 91 H. E. Furness, Pittsburgh ..... 91 J. B. Fontaine, Philadelphia ..... 88 J. N. Husher, Monessen ..... 81 P. D. Hyner, Erie ..... 64 J. R. Johnston, Jr., Pittsburgh ..... 85 W. S. Lang, Edgeworth ..... 90 J. W. Jeffrey, Philadelphia ..... 26 J. G. Martin, Harrisburg ..... 77 C. H. Newcomb ..... 91 P. S. Pyle, Pittsburgh ..... 77 J. E. Penrod, Pitsaer ..... 86 J. L. Pritchard, Lancaster ..... 85 Eugene Murray, Sewickley ..... 92 M. E. Stewart, West Fairview ..... 92 Roy McIntire, Butler ..... 92 W. Caryaden, Pittsburgh ..... 86

DRILL POSTPONED The drill of the Harrisburg draft registrants was postponed from last evening until Friday evening, because of the showers. Members of the Harrisburg Reserves will be in charge.
