MANY PASS BIG MEDICAL EXAM

State Issues Statement on the Names of Those Who Will Get Certificates

receive certificates, two who passed bedside examinations; eight who passed the state chiropody examination and thirteen passing the exam ination for massage and called branches.

Medical—Francis T. Raymond, Waynesboro; Robert D. Hostetter, York; Daniel J. Langton, Shenandoah; Joseph S. Miller, St. Clair; Susan S. Moyer, Harrisburg; Hyman H. Peril, Kulpmont; George A. Shuman, Catawissa.

Massage—Katharine L. Watts, Harrisburg.

No Selection Made—The State Commission of Agriculture did not make any selection of a chief of markets at the meeting yesterday. The bran situation seems to have held most of their attention.

Button Visits — Seward Button state chief of mines, has been making a series of visits to various mining sections securing first hand information on the mining situation. Snow Makes Inquiry—F. Herbert Snow, chief engineer of the State Highway Department, is making an inquiry into the conditions at the South Pittsburgh water plant against which complaints were filed.

Formation on the mining situation.

Snow Makes Inquiry—F. Herbert Snow, chief engineer of the State Highway Department, is making an inquiry into the conditions at the South Pittsburgh water plant against which complaints were filed.

Planning Winter Work—C. E. Carothers, Deputy Secretary of Agriculture, has started the outline of the winter work of the department.

Moth About Again—Warning of the appearance of a second emergence of the dangerous fruit tree pest known as the coddling moth was issued to-day by the State Zoologist's office. The moth has been found in the Adams-Franklin fruit tree belt and orchard owners are urged to spray trees at once to kill the moth and prevent the eggs from hatching. This moth is the parent of theapple worm and the eggs hatch in five days. The apple crop this year is

means danger to it.

Boards Get Ready—Reading city local draft board No. 4, has been praised by Major W. G. Murdock, state draft officer, for promptness in responding to the call for all boards to prepare at once for the registration of persons who may be included in the new draft limits. All boards are urged to complete arrangements for a registration place in every voting precinct and to secure as many vounteers as possible. The Reading board sent word that it was "prepared to complete registration machinery within 48 hours after receipt of directions and necessary supplies." All local boards have been warned to make up lists of registrars and instruct them and also to secure interpreters.
