HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I should have an operation before I could get well. My doctor who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my housework without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial, and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St. N. E., Canton, O. Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal. If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.

Emphatically Asserts Worn Out, Lagging Men Can Quickly Become Vigorous and Full of Ambition

Don't blame the man who is perpetually tired; his blood needs more red corpuscles and his brain and nerves are craving for food. Given the right kind of medicine, and a tired-out, lagging fellow can quickly be made into a real live, energetic and even ambitious man. So says a student of the nervous system who advises all men and women who feel worn out and who find it hard to get up ambition enough to take a regular job to get a package of Bio-feren at any drugist. This is the new discovery that pharmacists are recommending because it is not expensive and speedily puts vigor and ambition into people who despaired of ever amounting to anything in life. People whose nerves have been wrecked by too rapid living, too much tobacco or alcohol, have regained their old-time confidence and energy in less than two weeks. No matter from what cause your nerves went back on you; no matter how run down, nervous or tired out you are, get an original package of Bio-feren at once. Take two tablets after each meal and one before bed-time. Then after seven days or then one after each meal, till all are gone. Then if you still lack ambition; if your nerves are not steady and you haven't the energy that red-blooded, keen-minded men possess, your purchase money will be gladly returned. Note to Physicians: There is no secret about the formula of Bio-feren; it is printed on every package. Here it is: Lecithin; Calcium Chlorophosphate; Iron Peptonate; Manganese Peptonate; East Mus. Vomica; Powders; Gentian; Phenolphthalein; Oleoresin Capsicum; Kola.

GREAT OLD REMEDY FOR SKIN DISEASES

S. S. S. Clears Skin of Eruptions, Drives Poisons From the System. Get it fixed in your mind that skin eruptions, Scrofula, Eczema, burning, itching skin, and all skin diseases are due entirely to impure and infected blood. If the trouble was on the outside of the skin, by simply washing and keeping it clean you could obtain relief—not even ointments, lotions, and salves would be necessary. Agree with us in this belief, and your trouble can be relieved—you can be entirely restored to health. S. S. S. is a purely vegetable treatment that you can secure from your own drugist—it is a blood tonic that will purify your blood and cause a most decided

abatement of your trouble, and finally make you entirely well. Fifty years ago S. S. S. was discovered and given to suffering mankind. During this period it has proven its remarkable curative properties as a blood purifier and tonic, and has relieved thousands of cases of disease caused by poor or impure blood, and chronic or inherited blood diseases. You can be relieved, but you must take S. S. S. Take it if only pimples appear, for they denote bad blood, and may be followed by the sufferings from torturing skin eruptions, which should be pure. Don't take chances, don't use lotions. Get S. S. S. from your drugist. If yours is a special case, write for expert medical advice. Address Medical Director, 433 Swift Laboratory, Atlanta, Ga.
