AWAIT HOUSING STUDY IN CITY

Real Estate Development Is More or Less Held Back by Lack of a Policy

Real estate developments in Harrisburg, which have been held back by the war conditions, are marking time, it is freely admitted, because of the lack of a definite housing policy. Charges were filed that Murnane might have been under the influence of intoxicant, and it was that which led to the demand of Middletown Army officers that the five-mile limit against the sale of liquors be invoked here to close the saloons.
