Wood Available For Heating. AT THIS time of year you may obtain wood for cooking and early fall heating. You must be careful of your coal supply—don't waste it or you may be sorry in the late winter. Coal is of vital importance to the Government at this time. Without coal United States could do nothing to end the world war. Have plenty of wood in your cellar and use it on cool autumn days instead of starting the furnace. United Ice and Coal Co. Forster and Cowden Streets

More Than a Dozen Face Alderman in Police Court. More than a dozen cases were listed for trial in police court this afternoon as the result of arrests made last night and this morning.
