## Values---and Success

"Why has this store been so successful? is a question which is asked occasionally. And our answer is that we have always given the best values obtainable, plus good service, good assortments, perfect styles, absolute satisfaction, and honesty in advertising and all statements made in the store.

Now about values. What you get here is what we say we will give you—always. We buy our merchandise with extreme care, being sure every time to get the finest, newest styles and finest qualities at the very lowest prices! And, instead of trying to see how much we can get for our goods, we mark the lowest possible prices on them, being satisfied to make a moderate profit.

## Furniture Will Move Fast During the Next Four Days

Strictly speaking, it is only three and one-half days until the Bowman August Furniture Sale is over. But Saturday evening will more than make up for Thursday afternoon closing, so you really have four days in which to choose furniture at August Sale Prices. Last Saturday was a bigger day than the opening day, so we predict that the closing days of this sale will increase the volume of business.

And it is but natural that it should. Hundreds of people have gone from store to store and come back here to buy, and then told their friends of the unusual furniture values to be had here, considering these war conditions—curtailment of production and increase in factory costs. Their friends have come and will continue to come until the sale closes Saturday evening at nine.

If you are in need of a single piece or an entire suite, it is to your advantage to see the fine furniture on the fifth floor.

### This Is the Bedroom Suite Now Displayed in Our Window.
