These City Physicians Explain Why They Prescribe Nuxated Iron TO MAKE HEALTHIER WOMEN and STRONGER STURDIER MEN

Now Being Used By Over Three Million People Annually

By enriching the blood and creating thousands of new red blood cells, it often quickly transforms the flabby flesh, toneless tissue and pallid cheeks of weak, anemic men and women into a glow of health...

Dr. Ferdinand King, New York Physician and Medical Author, says: "The iron in Nuxated Iron goes from the blood of women the roses go from their cheeks..."

Dr. A. J. Newman, late Police Surgeon of the City of Chicago, says: "Nuxated Iron has proven through my own tests of it to be a most valuable remedy for their nervous, rundown, weak, haggard, looking patients..."

Dr. James Francis Sullivan, Formerly Physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, says: "I have found Nuxated Iron to be a most valuable remedy for their nervous, rundown, weak, haggard, looking patients..."

Dr. Schuyler C. Jacques, Formerly Visiting Surgeon, St. Elizabeth's Hospital New York, says: "I have never before given any medical information or advice for publication, as I ordinarily do not believe in it..."

Dr. Ferdinand King, New York Physician and Medical Author, says: "I have never before given any medical information or advice for publication, as I ordinarily do not believe in it..."

Dr. T. Alphonus Wallace, a physician of many years' experience in this country and abroad, says: "I do not make a practice of recommending advertised medicinal products, but I am glad to state that Nuxated Iron is a most valuable remedy for their nervous, rundown, weak, haggard, looking patients..."

MANUFACTURERS' NOTE: Nuxated Iron which is prescribed and recommended above by physicians is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Grant Kallier, G. A. Gorman, J. Nelson Clark, and all other druggists.

BRITISH AIRMEN IN BATTLE BOMB GERMANS PLANTS

Mannheim and Frankfurt Attacked by English Flyers; Damage Chemical Works

London, Aug. 27.—Chemical factories at Mannheim and the railway station at Frankfurt were successfully attacked Sunday night by the British independent air force...

The same force lost seven airplanes in the bombing of Mannheim last Thursday.

The outstanding feature of the exploit was the heroic determination of the British squadrons. They were heavily attacked as they flew to their objective; they knew that equally stern fighting would await them on their way back, but nothing daunted them.

The Germans were in largely superior numbers and had only to think of fighting and bombing to which to attend. The odds were all on the Germans, but the British aviators reached Mannheim and did their job.

With the American Army in France, Aug. 27.—American bombing machines made another raid on the Germans, dropping bombs on the railroad yards, despite heavy anti-aircraft fire.

Under such circumstances the temptation to adulteration and substitution by unscrupulous persons is very great and the public is hereby warned to be careful and see every bottle is plainly labeled "Nuxated Iron" by the Grant Laboratories, Paris, London, and Detroit, U. S. A., as this is the only genuine article.

FATIGUE NEARLY OVERCOMES WOMAN "Bringing up several children in the right way and cares of home brought me to the verge of nervous prostration," says a well known woman. "Fearing that I might become ill and have to give up housework and the care of my little ones, I created a nightmare that was ever before me. I happened to mention my affliction to one of my neighbors and she advised me to procure some Phosphated Iron. A day or two later when I was feeling unusually miserable I sent my daughter to the drug store for a box of the capsules and after ten days' treatment I felt like a different person altogether. I sleep well at night, something I hadn't done in months before; my appetite is good and in fact what formerly seemed like mountains of work in my home is now more like play. An aunt of mine living over East has been taking Phosphated Iron with equally gratifying results." Phosphated Iron is put up in capsules only. In this locality it can be obtained at G. A. Gorman's, 16 N. 7th Street, and the Harrisburg Railroad Station.—adv.
