Summit took another step toward the pennant by defeating the Crescents, 7 to 4, last evening. The Allifall a large part of the army which had been camping along the Vesle quainted with the Junior League and fall a large part of the army which had been camping along the Vesle was in action on the slopes north of the river. And there was action, notwithstanding that the Germans slready had taken the initiative in their withdrawal.

Americans Advance Near Bazoches

Near Bazoches the Americans were advancing along the highway north of the river while a little to the east they were south of the river.

Smoke arising from behind the German lines has been observed for the past few days. In some instances the cause is known to have been from the explosion of an ammunition dump fired by a direct nit from an aillied battery but the increasing number of smoke columns has given rise to the suggestion that the German sare burning such of their depot structures and supplies as it is inadvisable to remove.

Patrols sent out early in the day reported that the German retreat was under way.

OFFICE TO CLOSE [Continued from First Page.] as under Captain, now major, Har-Since the beginning of the war, 100,000 men have been enlisted into

the Regular Army from Pennsylvania. The local recruiting party secured 35,000 of these enlistments from the Harrisburg district. Before the new draft rules the station inducted a large number of men for special service. Postmasters in the district have enlisted many men, Lieutenant Lesher said.

From the city alone, 771 men, and from the county, 497 men, were secured by the recruiting party for the Regular Army.

While the party was restricted to the enlistment of men not in the draft age limits of 21 to 31, 700 men were enlisted monthly. During July, 750 men were enlisted, and during the first nine days of August, 250 men.

ed the line they held up to the German attack on April 9, last, while to the eastward of Givenchy sections of the old German positions have been taken.

On the battle line in front of Cambrai an improvement in the British position south of Moeuvres is reported. The positions to the east of Hermies, near the Canal du Nord, just to the south, also have been improved. Still farther south the British have captured the villages of Neuville-Bourjouval, east of the Canal du Nord.

More than 16,000 prisoners and more than one hundred guns have been taken by the British in the past four days.
