The Office Scout Welcomes You to Headquarters

Have you seen me at headquarters? Well, I'm there. Why don't you come around? You'll miss something some time if you don't read this corner. I just slipped in this week by mistake, but when I get a real chance—oh, boy!

If you have a kick coming, give it to me. I like knocks. Keep the red post cards moving. It's up to you.

Just between you and me—don't be afraid of the office secretary. She's a good scout, even if she is a girl.

Say, I don't like school myself much—but how about a school for scribes—once a week—taught by a real reporter? Does it sound good to you?

Every so often we heard something about black walnut. Just what don't we scouts know about that?

Headquarters is going to have a cuspity corner. Got anything interesting for it?

Did you see the new crepe paper practice bandages we have at headquarters? Well, why don't you come in and look all these new things over?

I heard that somebody—don't know his name—has a prize for the story of the most interesting incident that happened in camp this summer. Send in your stories. And say, fellows, put "pep" in them.

If you don't believe that this is the best time of the year for hikes, just try it and see.

I've tried out all the scout whistles we have around here and say they're fine. Do you fellows all have one? Since I have introduced myself, I'm beginning to feel bashful, but if you come around I'll shake hands with you and we'll get to see if we like each other.

Let's all give three cheers now for the best thing in this corner. Everybody now!

One—two—three—Y-E-A-A-A-Y! Bow-wow! (That's a dog down in the alley.)

TROOP EIGHT'S HOLIDAY HIKE

Happy Boy Scouts Ramble Through the Country on Labor Day

Labor Day being a holiday a hike was planned by the Scouts of our troop. We left the Scout rooms at 6 a. m. and boarded the car for Middletown. We had to wait for the next car owing to the fact that three Scouts missed the official car. We headed our way toward the Swatara creek and traveled along the creek until we came to the first iron bridge where some of the Scouts proceeded to take a swim. Our next stop was at Clifton where we had our lunch.

Our Scouts built three fires and we cooked ham, bacon and eggs. After another swim we journeyed to Stoverdale and visited some friends in the grove. We then voted as to whether another swim should be taken and the affirmative winning, all proceeded to the creek for the third daily swim. We all surely felt clean anyway. We also visited Hum-

CHIEF VIRGIN AWAY
Scout Executive J. Frederik Virginia is attending the camp for scout executives at Cranberry Lake in the Adirondacks this week. He will return Monday bringing many new ideas and suggestions to surprise Harrisburg Scouts. It is next to impossible to edit a Scout page without Executive Virginia's supervision. That's why you may have to look twice before you see any Scout news this week.

melstown cave and after spending two hours inside and outside the cave decided to call it the end of a perfect day and started home.

A brief business meeting was held in the Scout rooms that evening—brief so as to give the weary Scouts lots of time to sleep before getting up for school Tuesday morning.

CAMP DIARY OF TROOP TWELVE

This Interesting Document Tells of Scouts' Experiences in Camp Virgin

August 24.—The Scouts of Troop 12, to-day went to camp chartered by Messrs. Orr, Mentzer and Runkle. Miss Huber, Mrs. Smith and Mrs. Swanson accompanied the Scouts as cooks and everyone must admit that they were decidedly welcome. At 9 o'clock that night everything had been put in good order, and everyone was tired enough to sleep.

Sunday, August 25.—Reveille at 6.30.—The thermometer at about 40 degrees. Orders were given for a dip in the creek. When the Scouts felt the cold dew on their feet they all groaned. The law relating to a "pep" into the bunch. Then the best-liked bugle call sounded—mess. The boys took a short hike through the country to-day visiting farms and exploring. Swimming and letter writing took up most of the afternoon. In the evening a short Sunday school meeting was held and Mr. Kline gave us a talk.

Monday, August 26.—Another dip in the creek. It was cloudy and unsettled all day to-day, which made fine fishing weather and a few were caught, including rock bass, sunfish and chubs. Troop 12 played Troop 1 a game of baseball in the afternoon. Troop 14 winning. A camp fire was built in the evening and Assistant Scoutmaster Samuel and Mrs. Smith proved themselves first class entertainers.

Tuesday, August 27.—The Rev. Mr. Herman, of Harrisburg, visited us to see how things were going. We were glad to see him. Eagle Patrol of Troop 14, Harrisburg, came through the fields observing everything that was to be seen. A skeleton of some animal was found in an old well, and a great deal of discussion took place as to whether it was that of a small pig or of a mastodon.

In the afternoon everyone took a hike to Huston's Mill dam for a fine swim.

Wednesday, August 28.—It rained steadily and pretty hard, which put a damper on any program planned for that day. The Scouts studied and others wrote letters (to their big sisters). Scoutmaster Orr, of Troop 13, arrived in the evening and gave us a chocolate bar for the Scouts and peaches for the cooks. Everybody was satisfied.

Thursday, August 29.—The call of reveille brought forth one more sick boy. The old story of the great apples. The cooks soon fixed him though. Mr. Orr spent the greater part of the day with us. It was visitor's day and not only parents came but also many friends and good things to eat. Scout Executive Virginia made an official visit in the afternoon and the boys took their tests in swimming. A campfire was built in the evening and we were again entertained by Assistant Scoutmaster Samuel's stories.

Friday, August 30.—Picture taking day. Pictures of individuals, cooks, camp, birds, animals, etc., were taken. A special one of Howard Yelmer and his dog was taken in a particularly good pose.

Troop 12 took a 20 mile hike through the country to the mountains and back by the Kist half way in the evening a minstrel show was staged by Mr. Samuel. A little comic sketch was framed up by the cooks and they gave a good account of themselves as actresses. Large helpings of ice cream, grape juice, cakes and toasted marshmallows were served. It was a big night, and taps were not sounded until very late.

Saturday, August 31.—Our going home day. The whole morning was spent in cleaning and packing up. Mr. Orr and his wagon, his horse and truck and had our luggage in Harrisburg before noon. In the afternoon the happy Scouts were conveyed to civilization once more. All that we can say is that we had the time of our lives at Camp Virgin and that we owe a great deal of it to Mrs. Smith, Mrs. Swanson and Miss Huber, and to Scoutmasters Orr and Haehlein and Assistant Scoutmasters Samuel, Mentzer and Mr. Runkle. Our camping trip was surely a success and we thank everyone who had anything to do in making it so.

BRAVE AMERICAN WINS LONE BATTLE WITH ELEVEN HUNS

By Associated Press
Washington, Sept. 6.—Graphic stories of the individual heroism and daring of forty-one American officers and men fighting in France are told in cryptic citations by General Pershing in awarding them distinguished service cross. The citations were received at the War Department as a delayed section of General Pershing's communique for Wednesday.

One of the men decorated was a private of infantry who was attacked by eleven Germans when he entered a cellar at Vaux, July 31, to install a telephone. He killed two of the enemy and took the other nine prisoners. A corporal of infantry cleared out a farmhouse near Villers Sur Fere July 28 single handed, killing four Germans, capturing one and holding the house by himself until support arrived.

A sergeant of infantry after rushing ahead of his line near Sergy, July 23 was so badly wounded that he could not stand. Ten Germans of the Prussian guard attacked him. He arose to his feet, struck five of them and the others fled. In another case a private of infantry on July 28 near Villers Sur Fere saw six Germans about to take prisoner his corporal who had been severely wounded. He called a comrade, advanced on the Germans, killed two of them, took the other four prisoners and carried the corporal to the American lines.

A machine gun sergeant brought down two German airplanes which were sweeping an American trench with machine gun fire. Despite the rain of enemy bullets, the sergeant turned his own machine gun on the planes and riddled the upper one until it collapsed. In falling it struck the lower one causing it also to crash to earth.

TERRIFIED BERLIN IS UNDER MARTIAL LAW

Amsterdam, Sept. 6.—A decree signed by General Von Linsingen, commander of the Brandenburg province, according to the Cologne Volks Zeitung, places the city of Berlin and the province of Brandenburg under the law relating to a state of siege, which provides for a fine or imprisonment for persons inventing or circulating untrue rumors calculated to disquiet the populace.

The Volks Zeitung adds that similar decrees have been issued in Breslau and other cities, all operative immediately.

Pick to Killifer. McInnis went to the field and Thomas to first on the pitcher's choice. Agnew put up a tall foul which Flack caught on the line. No runs, one hit, no errors.

Three Cubs Score Off Bush
Second inning, second half: Merkle walked. Pick dumped a swinging bunt down the third base line and when Thomas muffed the ball the official scorers called it a hit. Merkle took second. Deal popped to Susan. Killifer scored and Pick went to third. This was the first extra base hit of the series. Tyler singled over second scoring Pick and Killifer.

Agnew Nails Pick at Second
Fourth inning, second half: White man popped to Pick. McInnis out. Holocher to Merkle. Pick made a one hand running stop of Scott's grounder and threw him out at first. The play cut off what looked like a sure hit. No runs, no hits, no errors.

Agnew Nails Pick at Second
Fourth inning, second half: White man dropped Merkle's fly close to the line and Merkle reached second on the error. Pick bunted to Bush whose throw to Thomas got Merkle at third. Pick took first on the fielder's choice. On the hit and run, Deal fled to Hooper, but Pick managed to beat the throw back to first. Pick was out stealing on the first pitch to Killifer, Agnew to Scott. No runs, no hits, no errors.

Bush Hits First on Error
Fifth inning, first half: Thomas out. Deal to Merkle. Agnew fled to Flack. Deal missed Bush's grounder and the batter reached first on the error. Flack ran to deep right for Hooper's fly. No runs, no hits, one error.

No Runs in Fifth
Fifth inning, second half: Thomas threw out Killifer at first. Tyler fouled to Agnew near third base. Flack out. Bush to McInnis. No runs, no hits, no errors.

Move Started to Make \$75 Minimum Salary For Pennsylvania Teachers

Action on a bill providing for an increase in the minimum salaries of teachers was taken at a meeting of county and assistant county superintendents of southeastern Pennsylvania held in Reading yesterday. Final approval of the measure probably will be decided upon at another meeting to be held in Reading early in December. The bill probably will be one of the first upon which the county school officials will request legislative action.

The tentative measure in the form of a resolution was introduced by W. R. Zimmerman, assistant superintendent of Dauphin county, and provides the following:

"That we favor a minimum salary for all teachers for not less than \$75 a month and \$5 additional for each successive higher grade certificate; that the state pay a bonus of \$15 a month for actual number of months taught, to each rural teacher teaching in a nine-room school, the 'rural school' to be determined by the county superintendent, and that the state pay 40 per cent. of all teachers' salaries up to and including a minimum of \$100 a month."

As the resolution was introduced shortly before the session closed, no definite action could be taken, but it is understood that practically every superintendent favored it and will support it.

Superintendent F. E. Shambaugh and Mr. Zimmerman attended both sessions of the association of southeastern Pennsylvania. More than forty other officials from nearby counties were present also and a number of new members were enrolled.

WANT MORE NEWSPAPERS
London — "More home newspapers" is the appeal which is being

continually made to the library committee of the American Red Cross by American soldiers in hospitals in Great Britain. The library committee is furnishing reading matter for more than 25,000 men a month, both in hospitals and in camps. The books are either gifts or are purchased in London. The magazines and newspapers must of necessity come from America. This class of literature gives greater satisfaction to the men than books.

U. S. Army Has Planes Enough in War Service, Messages Assure Nation

Washington Sept. 6.—Confidential messages from General Pershing and other reports from France indicate the American army now is supplied with sufficient airplanes to protect its men in battle. General March, chief of staff, gave this information to members of the House Military Committee to-day at their weekly conference.

Transportation of United States troops in France has been highly organized by Colonel Samuel M. Felton, who has returned home and reported that the situation is entirely satisfactory. General March told the committee.

Camp Virgin a Success, Say Harrisburg Scouts

The remainder of Scouts who were at camp last week broke camp Monday and the equipment was brought back to headquarters. The Scout camp has proved a decided success. It is a safe bet that every Scout who was in camp this summer will want to go again and more than one boy will have to be brought back to earth again by his teacher this winter for dreaming of the good old days at Camp Virgin.

Second inning, first half: Tyler again had trouble finding the plate and walked Whiteman on four pitched balls. McInnis dropped a bunt between Killifer and Tyler and when the two collided, beat Killifer's throw for a hit. Scott sacrificed, Killifer to Pick, the latter covering first. Thomas hit to Pick and Whiteman was out at the plate,
