

JOHNSON PLAN IN 17 COUNTIES

Prisoners Working on Farms or Roads to Help Out During the War in This State

Reports showing that seventeen counties of the state had adopted the plan sponsored by Judge Isaac Johnson, of Media, for employment of prisoners in county jails on county farms or on roads were submitted at the quarterly meeting of the State Board of Public Charities by General Agent Bromley Wharton, to-day. York and Chester were mentioned as among counties with a fair sized prison population which had not adopted the plan, while many of the smaller counties were reported as not having enough men to make it practicable, while the anthracite region counties found prison conditions unsuitable in some cases. The counties reported as adopting the plan were Delaware, Lancaster, Montgomery, Bucks, Berks, Lehigh, where men were assigned to work on farms. Schuylkill, Columbia, Blair, Somerset, Northampton, Perry, Dauphin, Lebanon, Cambria, Fayette and Washington.

Mr. Wharton reported recommendations carried out for improvements at Lancaster prison and that a consideration of the plan was given at Warrersville by the trustees handling building operations.

F. J. Torrance, Pittsburgh, was elected president for another term. Louis Wolf, Philadelphia, being elected treasurer, while the office and field forces were all chosen again.

William H. Bell, Philadelphia, the other new member, was not present.

County Firemen Organize; Say Delayed Truck Might Have Saved Woman's Life

The firemen of Dauphin county formed a temporary organization at the Washington Chemical house last night.

Colonel H. C. Denning was elected temporary president. Permanent officers were elected at the Washington Chemical house last night.

The firemen went on record as favoring the formation of the truck and the chemical wagon when telephone alarms are received. They also authorized the purchase of an effective smoke helmet by each company.

It was felt that Mrs. Laura Lockhart, who was suffocated when the truck of H. M. Witman, 2101 North Second street, burned early yesterday morning, might have been saved had there been a hook and ladder truck and smoke helmet at the fire in the early stage.

The firemen also reported that a city detective prevented the foreman of one of the companies from entering the house, even though he was wearing the proper equipment.

Figures issued by the State Department of Agriculture indicate that the apple crop of the state will be 4,000 bushels ahead of that of 1917, while the sweet potato crop of the state, which was 10,000 bushels less, will run 18,000 bushels less. A marked decrease in the potato yield is reported.

FOR BRONCHITIS

A Coal Miner Thinks There Is No Remedy Like Vinol.

Belleville, Ill.—"I am a coal miner. I doctored for months for a chronic cough, sore chest, throat and lungs. I could not work. I could get no relief until I tried Vinol. It stopped my cough and built up my strength and I feel better in every way."

—Andrew J. Gray.

It is the healing, tissue building properties of fresh cods livers aided by the strengthening blood building elements of tonic iron contained in Vinol which makes it so successful in overcoming chronic cough, colds, and bronchitis.
