

MODIFIED WHEAT RULING PERMITS BIGGER MEALS

Changes in Sugar Rationing Also Announced by Food Administration

Until further orders are issued, the serving in hotels, public eating-places and clubs of two ounces of Victory bread and rolls per person, at a mean; or four ounces of muffins, corn bread, Boston brown bread, baking powder biscuits, and quick breads, is still in effect, according to an announcement by Donald McCormick, food administrator for Dauphin county.

However, with these Victory products, wheat in any other form—such as pie, macaroni, spaghetti, cake, crackers and such products, may be served at the same meal.

Application of the ruling of increased price of sugar was also made to-day by the administrator, as follows:

Effective on all sugar received by jobbers after close of business Saturday, September 7, the price of bulk granulated sugar to consumers will be the rate of not over 11 cents a pound in pound quantities, but with reductions in quantity purchases, based on the fractional cent computation, as the normal cost of sugar should be 12.2 cents a pound.

The old regulation sales of two pounds to city and five pounds to country trade are discontinued and instead family purchases of one full week's supply, based upon one-half pound per person per week, is permitted. Registration of each sale by the grocer is still in force.

SCENE FROM "THE BIRD OF PARADISE"

"The Bird of Paradise," the play that comes from the West and made the East sit up and take notice, will be seen at the Orpheum to-morrow evening and Saturday, matinee and night. It is one of the biggest and most novel of American successes and helped to make five actresses popular on the screen and stage.

JIGGS AND DINTY ARE IN TROUBLE

"Bringing Up Father at Home" Attracts Big Crowd to Orpheum

"Bringing Up Father at Home," in musical comedy form to exploit "Jiggs," "Maggie" and "Dinty Moore," cartoon characters created by George McManus, attracted a large crowd to the Orpheum Theater last night. It was one of the largest audiences on record for an early season production.

"Jiggs," with his friend, "Dinty," as usual got into trouble at the start of the three-act farce. They came home intoxicated and the next morning read about the murder of a foreigner who had a banana stand. They found their pockets filled with bananas. The trouble was straightened out when they found they had been reading a newspaper of several years ago.

"Jiggs" was featured for the comedy part of the evening in a series of jokes across. The part was played by John Galt. Miss Lyla Kane was "Maggie," William Egan, "Dinty Moore," Miss Blanche Newcomb, as "Kitty," daughter of "Jiggs," Miss Grace Hanson, "Kitty's" friend; Fred Jessop, the "Duke," who marries "Kitty"; "Chatterbox," as "Jack," who marries "Kitty's" friend.

Of the seventeen musical numbers on the bill, those which seemed to please the most were "Awake, Dear," a splendid duet by "Clarice" and "Jack"; "India," an opening number; "Clarice" and chorus; "Irish Rag," "Jiggs" and "Dinty"; "I Get Back to the U. S. A.," closing number of the second act, in which the chorus sings in reverse and the leading actor, "Irishman," as an accompaniment; "Irishman," by "Maggie."

TETANUS VICTIM IN HOSPITAL George W. Peck, seven-year-old son of Samuel J. Peck, of Enola, is in the Harrisburg Hospital suffering from a severe case of tetanus. His condition was said to be serious.

Awful Loss Cause of German Retreat

Washington, Sept. 12.—Behind the apparent lull in the battle in France events are swiftly shaping for operations of crucial importance, in the opinion of officials here, who are keeping in hour-to-hour touch with developments. These observers believe one week will see either the greatest battle of the war in progress along the old Hindenburg line, or the enemy again in full retreat toward the Belgian frontier, refusing to meet Marshal Foch's forces.

There is the evidence that German high command may plan a further extensive withdrawal in order to shorten its defensive lines and ease the strain upon Germany's waning man power. There is little doubt that it is lack of fighting effectiveness that forced the enemy to abandon all he had gained in his drive of this year and narrow his front. Unofficial estimates from heavy losses that the Germans have left behind them during the withdrawal more than 300,000 prime fighting men, killed, badly wounded or prisoners. This is in addition to the heavy losses in the frontal attacks by which the enemy early in the summer drove his way toward Paris and the channel ports.

To Advise Surrender Is Death in Our Army

With the American Army in France, Sept. 11.—American troops of all units have been instructed to kill on the spot any one who in time of battle urges surrender or attempts to persuade them that further resistance is useless. These instructions, which originated with a certain division and have now been universally adopted because they proved so popular, were made necessary because some one in American uniform during a German attack on Fismette on August 27, ran among the troops, calling upon them to cease resistance and declaring that the officers advised surrender.

The instructions point out that these statements were absolutely false.

FOR SALE

New 7-room Brick Stuccoed House in Camp Hill All improvements, steam heat, gas kitchen, electric lights, stationery tubs, five tons of coal in cellar. Will take Liberty Bonds in part payment. Now vacant.

Shining Shoes Called Nonessential Work

Peoria, Ill.—Shoe shining is classed as a light occupation and nonessential to winning the war by Police Magistrate Michael here. He told Charles Coulton so in ordering him to "get a regular job."

Air Motor the Newest Engine Invention

Atlanta, Ga.—An "air motor" that recompresses air in the tank by means of the compressed air on its way to the cylinders of the motor, thus requiring only one filling of the air tank, is an invention claimed by J. W. Justus and Fred Rudolph, mechanical engineers of Atlanta. They assert compressed air will eventually supersede gas and steam. A working model has been finished and will be taken to Washington.

COMMONWEALTH OF PENNSYLVANIA Treasury Department

Table with multiple columns listing various banks and their deposits. Includes sections for 'Statement of Amounts in the Several Funds at Close of Business, August 31, 1918', 'GENERAL FUND', 'MOTOR FUND', 'GAME PROTECTION AND PROPAGATION FUND', 'INSURANCE FUND', 'PRISON MANUFACTURING FUND', 'STATE SCHOOL FUND', 'FEDERAL APPROPRIATION FOR VOCATIONAL EDUCATION', and 'SINKING FUND'. Each entry lists the bank name and the amount deposited.
