

PLANT RAILWAYS CODE GIVEN OUT

State Will Regulate Operation of Small Railroads Inside of Big Works

Operation of industrial railways inside of iron and steel and other big manufacturing establishments will be placed under a state code of safety on January 1, according to notice issued to-day by the State Industrial Board...

and narrow-gauge tracks and special safety standards in appliances and construction, signs and signals, equipment and clearances. There are also provisions for general operation.

Iowa Coming.—Tractors from as far west as Iowa and Illinois have been scheduled to take part in the demonstration of mechanical methods of plowing and sowing wheat to be held by the State Department of Agriculture on one of the United States Army's quartermaster depot farms near New Cumberland next week.

Want to Build.—Application has been made to the United States War Industries Board for a ruling in regard to building material for completion of state armories in four cities. The money has been appropriated, but construction held up last year. The armories will be used for training men if they can be built.

Paralysis Up the State.—Infantile paralysis has been reported to the State Department of Health from Clinton county. Inspectors have gone to investigate reports.

On Right Sleeve.—Under orders from the War Department, received at the Adjutant General's Department, noncommissioned officers of military organizations will wear chevrons on the right sleeve.

Will Act Monday.—Steps to appointing three new judges to the Harrisburg for the right to acquire

the system of the Suburban Drainage Company will be taken by the Public Service Commission on Monday.

Sitting at Philadelphia.—Public Service Commissioners are sitting at Philadelphia to-day in the Norwood case. Chairman Ainey is finishing the Wilkes-Barre hearings.

Governor's Plans.—Word received at the Capitol to-day was that Governor Brumbaugh, who is motoring from Maine, would not be here until early next week. One of the stories heard here to-day was that William H. Ball, secretary to the Governor, was about to be named to a commission in the Army.

October Cases.—The Public Service Commission has fixed October 17 for hearing the complaint of the United Businessmen's Association against the Bell Telephone Company's system of making charges by measured service in Philadelphia.

New Policeman.—Alvin Willis, of Lebanon, has been commissioned a special policeman for the Lebanon Valley Iron and Steel Company.

Boys of Hamilton School Making Over Playground

In order that they might be able to have a playground for recreation and because of the scarcity of labor more than 100 boys of the sixth, seventh and eighth grades of the Hamilton school building, under the direction of Professor J. E. Harlacher, yesterday morning began clearing away the debris from the old Stroh property adjoining the school, which the school board recently purchased for a playground.

Scranton Fare Rate Likely to Be Boosted

Wilkes-Barre, Pa., Sept. 13.—Eight-cent car fares in Scranton and Wyoming Valley probably will be approved for one year, according to a statement made by Chairman Ainey, of the Public Service Commission, at the first session of the in jury into recent rises in passenger rates on street cars.

JOHN H. COULTER

John H. Coulter, of Seedsville, died this morning at 6 o'clock at his late home, aged 78 years.

CLASS MEETING HELD

Ten boys were present last evening at a meeting of Mrs. Harry Beahore's sewing class, held at her home, 19 North Front street.

SEARGEANT BECKER HOME

Sergeant Daniel C. Becker, of the Chemical Warfare Service of the U. S. Army, is spending the weekend at his home, Sergeant Becker, who is now stationed at the Edgewood Arsenal, in Maryland, was formerly connected with the People's Bank.

Steelton News Items

NEAR MURDER AT HIGH SPIRE

Steelton Man Mysteriously Assaulted and Strangled Last Night

Unconscious and with a noose drawn tightly around his neck, William Dyer, 202 Main street, Steelton, a car record clerk in the High-spire yards was found at 12:30 this morning lying near his shanty in the yards.

After artificial respiration and other means had been employed for almost two hours, Dyer was revived, but is still in a serious condition.

Dyer had stepped outside his shanty to take the number of a car which was being shifted into the yards. On returning he noticed that the lights were burning in the building although he had put them out when he went to take the car's number.

WOODMEN TO INITIATE Large Class Tonight

A large class of candidates from Steelton, Hummelstown and Pennington will be initiated this evening at the regular session of Steelton lodge, No. 589, Modern Woodmen of America.

Captains of Industries in Harrisburg to Answer Questions in War Program

Questionnaires will be mailed to manufacturers in Harrisburg in the vicinity to determine what amount of war work they are doing at present and what amount they can do in the future.

Secretary McDoo Passes Through Harrisburg

William G. McDoo, director general of railroads with his special party passed through the city yesterday afternoon on the way from a 25,000-mile trip of inspection to the capital.

Government Turns Down Road Work

More road projects, located in six counties, have been disapproved by the United States Highways Council, as nonessential at this time, according to a statement issued to-day by the State Highway Department.

Four Thousand Enrolled by Steelton Board

Approximately 4,200 men were registered yesterday in the territory under the control of the Steelton draft board.

RUBBER DRIVE FALLING DOWN

Several Barrels Total of Day's Collection; Greater Results Expected

Although several barrels of old rubber were collected from residents of the borough by the Steelton Red Cross chapter at its depot at the Lawns, the campaign has failed to achieve the results desired.

Mrs. S. Hiney, secretary of the Steelton chapter said that if each family in the borough would contribute but one pound of rubber, there would have been twenty-five barrels filled yesterday.

TO HEAR SPEEDERS

Four speeders were arrested yesterday by the police and have been ordered to appear before Burgess McCreedy on Saturday evening for a hearing.

CHOIR PRACTICE THIS EVENING

The choir of Grace United Evangelical Church will hold its weekly practice this evening.

Nation Takes Over Smith and Wesson Plant

Washington, Sept. 13.—The War Department has taken over the Smith and Wesson Company of Springfield, Mass., and will operate the plant and business to secure continuous production and prevent industrial disturbance.

DR. CHARLES ALBERT BIGLER

Dr. Charles Albert Bigler, formerly of this city, died in Philadelphia on Wednesday. He is a brother of Mrs. William C. Armor, 128 West State street. Funeral services will be held on Saturday afternoon at 2 o'clock.

WAR VETERAN SAYS HE'S FIT FOR FIGHTING

Fox, 75, Declares He Has a New Lease on Life Now

"Thanks to Taniac, I feel as fit and lively as I did when I enlisted in '61," says George Fox, a sturdy veteran of Rockville, Pa., a town near Harrisburg.

"I'd been short of breath, had a touch of rheumatism and couldn't sleep except sitting up in a chair. 'Believe me, I am glad I bought Taniac for it has given me a new lease on life, I feel fine. My rheumatism is gone and I sleep better and I'm stronger all over. In fact the way I feel now I could go through another war and hold up my end with the youngsters.'"

"It's a great medicine, this Taniac, and I do not hesitate to recommend it."

Taniac is now being introduced here at Gorgas' Drug Store. Taniac is also sold at the Gorgas Drug Store in the P. R. R. Station; in Carlisle at W. G. Stevens' Pharmacy; Elizabethtown, Albert W. Cain; Greencastle, Charles B. Carl; Middletown, Colin S. Few's Pharmacy; Waynesboro, Clarence Croft's Pharmacy; Mechanicsburg, H. F. Brunhouse.—Adv.
