Fall Styles For Women, Misses and Children

### That Will Arouse Interest Tomorrow

It was Queen Victoria who said that when a country was under the stress of war it was the duty of its women to keep up the country's spirit by inspiring bravery and courage by their smart dressing. To study Paris and the spirit of her women, who dress as charmingly as ever they did in peaceful times, is inspiring.

And the new clothes for women—the suits, the coats, the dresses-are an inspiration to emulate the Parisians, for they are extremely flattering and youthful.

# Coats and Suits of Rare Beauty

There are little hopes that the quality of garments we now offer will continue at present prices. Consequently, women who seek an advantage in fashions as well as in value will not permit the offerings to be found in our complete stocks to pass by unnoticed.

# Hundreds of Garments Ready

There are as many coats ready for your selection now as were to be found in our November stocks of former years. In addition to offering such choice materials as Pom Pom, Bolivia, Velour, Plush; Duotone and Evora, the new garments possess the added elegance of trimmings of such furs as Squirrel, Nutria, Kolinsky and Near Seal.

Many of the suits and coats are trimmed with collars of self material in order that your own furs might be used

## Dresses and Coats For School Children
