#### Physician Believes a Genuine Remedy For the Disease Has Been Found

Rheuma, the wonderful rheumatism remedy sold by Kennedy's drug store and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way.

Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma and heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."—Dr. M. C. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma.—Adv.
