

PENNSYLVANIA "JUMPS OVER" Registration Goes Beyond Expectations and Examinations Will Start Soon

Computations of the registration of the manpower of Pennsylvania under the new draft law were completed at State Draft Headquarters late last night, and show that instead of 1,145,000 persons between 18 and 46 registering on September 12 there were 1,148,969. Philadelphia alone registered 240,662.

who had not declared intention. The total number of whites registered was 1,092,124, with 53,888 colored men. To-day the questionnaires are going out to all men between 19 and 36, and it is expected that the classifications and examinations will follow speedily.

53 Railroad Employees Disobey Company Rules

Discipline bulletin No. 528 issued from the office of Superintendent J. C. Johnson, of the Pennsylvania railroad shows that sixteen employees were reprimanded and thirty-seven more suspended during the past week for infractions against the rules. Their suspensions ranged from one day to two weeks and were chiefly charged against the records of the men in order to keep them on the job among their bit.

RED CROSS NEEDS WORKERS

Workers are urgently needed in every department of the local Red Cross chapter workrooms, according to pleas being made by various department chairmen. This morning a call came from the surgical garments department asking for sewers and for women who can operate buttonhole machines. Workers in this department make refugee garments and uniforms for the war.

LUMP PAYMENTS NOT ENCOURAGED

Compensation Board Plans to Bring the Matter to Attention of the Public

Investigation of all workmen's compensation awards commuted or permitted to be made in a lump sum payment to a Pennsylvania worker permanently injured in an industrial accident will be made by the Workmen's Compensation Board of the Department of Labor and Industry.

FALL ARBOR DAY IS PROCLAIMED

Dr. Schaeffer Fixes October 25 as the Date For the Planting of Trees

Friday, October 25, is designated by Dr. Nathan C. Schaeffer, State Superintendent of Public Instruction, as the annual Arbor Day for Pennsylvania.

Student Drills Are Off For the Week

Hard rains to-day prevented both of the student drills to have been held at the High schools under Harkness Reserve auspices. The football drill series will begin on next Tuesday morning, at 10 o'clock.

Sproul Will Be in City on Way West

Senator William C. Sproul will be here a short time to-morrow on his way to Pittsburgh, where he will be here to-day for Centre county. He will be the principal guest at the annual "butter-milk" party at the Rosemar Farm of Mayor F. V. Babcock of Pittsburgh on Saturday, and make some visits to adjoining counties.

INSURANCE MEN TO MEET

Members of the Insurance Federation of Pennsylvania will meet in the assembly room of the Y. M. C. A. to-morrow morning at 8 o'clock.

Uncle Sam Steps In

Less than a dozen contracts for road improvements in Pennsylvania and of half a hundred submitted to the national board in control of highway materials have met with approval at Washington. Several on which bids had been asked were turned down as non-essential for military purposes last week and the new ones will be selected this week according to what was learned at the Capitol to-day.

Would Change Contract

The first application to be made to the Public Service Commission for a review of a contract was made to-day by the Lehigh Valley Transit Company, which uses the New Street bridge between the Bethlehem. It contends that in 1910 a contract was made for half a cent for each passenger and one cent for each freight or other car not carrying passengers per mile over the bridge.

Big Increase Alleged

Howard J. Stier and other residents of Philadelphia, have filed complaint with the Public Service Commission against the new rates of the Metropolitan Edison Company, Reading. The charges are that the Indiana County Street Railway Company does not manage its force so that it gets all the fares collected was made to-day in a complaint against the Reading and Stratford street railway company.

Knock Down

The charges that the Indiana County Street Railway Company does not manage its force so that it gets all the fares collected was made to-day in a complaint against the Reading and Stratford street railway company.

Conservatively Rated

At 9-18, the new Moline-Universal has ample power for heavy belt work, and can plow as much in a day with two plows as the ordinary three-plow tractor, because of its greater speed. Yet it is light enough or such work as cultivating, mowing, etc., which do not require so much power.

Drop Forgings

beat-treated parts, steel cut gears and unusually large bearings add extra years of endurance.

ASK TAILORS' AID

Harrisburg tailors have been asked to do their bit in the mending of soldiers' uniforms by the Red Cross. A statement issued this morning by the chairman in charge of this work appeals to the tailors for their services in repairing these uniforms. Other workers are also urgently needed to assist in the mending, it was stated.

Stop and Think—Kidney Diseases Killed 100,000 Last Year

Health Authorities Alarmed at Increasing Death Rate Each Year From Kidney Diseases

In our pursuit of the mighty dollar, we too often are absorbed in the topics of the day, pleasure, etc., to stop and consider our health. Stop now—think—kidney diseases caused 100,000 deaths last year. Are you going to be included in this year's toll? Why, you will exclaim, do so many die, why are the health authorities so concerned; the answer is, we bolt down our food, take no exercise, neglect our sleep and otherwise subject our system to all sorts of abuse. Is it any wonder then the kidneys become diseased and fail in their duties of poison elimination?

Poisons are constantly being created in our bodies and if the kidneys fail to carry them off they are absorbed by the blood, causing ill health and misery in the form of headaches, backaches, tired feeling, indigestion, etc. You may avoid considerable suffering if you heed nature's warning and assist the kidneys. Warner's Safe Kidney and Liver Remedy is a reliable preparation made from herbs and other beneficial ingredients that has been used with excellent results for forty years. It assists the kidneys in their important duties, strengthens and helps repair the wasted tissues. It is very effective and is used in thousands of homes. Read what this grateful woman says:

I wish to say that your remedies have been used in our family for about fifteen years. We are never without a bottle of Warner's Safe Kidney and Liver Remedy in our home, and it has saved many a doctor's bill. It is a wonderful medicine for all diseases of the kidneys and liver.—Florence E. Schmidt, R. F. D. No. 1, Dunkirk, O.

MARRIED HAPPINESS RUINED BY QUARRELS

Families Are Broken Up Because of Nerves

Doctors claim a man or woman with a strong nervous system has complete control of happiness. It is only those who are played out by overwork, worry, excesses, and thoughtless dissipation that are quarrelsome and disappointed in life. Do not condemn them, their nerves are starved, they are depleted of life and energy and no thought is given to supply them with food, nerve energy to make them calm, strong and controllable.

The foolish waste of nerve force turns a cheerful happy person into the srouch that accounts for so many separations. Nature requires aid and Phosphated Iron is necessary in such conditions of nervousness, because it contains the vital elements of iron and phosphorous and powerful vegetable extracts, the very "food" help the nervous system must have if we are to correct degenerate muscles, that sleeplessness and tired, all-in feeling, lack of energy, ambition and cheerfulness.

Phosphated Iron gets at the roots of these troubles because it feeds the blood and nerve centers, it does this naturally and persistently, and cannot fail to strengthen your vitality, energy and renew the efficiency of body and mind.

Special Notice—To insure doctors and their patients getting the genuine Phosphated Iron, we have put in capsules only. Do not allow dealers to give you tablets or pills. For sale in Harrisburg by George A. Gorgas, 16 North Third street, and Pennsylvania Railroad Station.

Keep Your Eye On the Wonderful

MOLINE TRACTOR

At the State Tractor Demonstration, Thursday, Friday and Saturday of this week. There will be from twenty to thirty different Tractors there. Look for the largest crowd—there you will see the MOLINE—there are many reasons why the MOLINE attracts the big crowds of farmers—it is the Tractor for you.

With Self Starter and Electric Lights

ONE-MAN TRACTOR

There's what you want and a Moline-Universal Tractor can do in a day of 10 hours. Plow 7 to 9 acres, disc 27 acres with a 7-ft. tandem disc, 38 acres with a 10-ft. disc, harrow 76 acres with a 20-ft. open-tooth harrow, plant 22 acres with a two-row planter, plant 43 acres with a four-row planter, collect 1000 bushels of corn, drill 55 acres with a 10-ft. grain drill, harvest 25 acres with an 8-ft. grain binder, harrow 10 acres with a seven-binder, mow 25 acres with an 8-ft. mower, rake 40 acres with 12-ft. rake, rake 25 acres with an 8-ft. rake, deliver 1000 bushels of corn, etc.

In addition, it can be used on the belt for running threshers up to 24-inch capacity, silo-filler, corn sheller, feed chopper, wood saw, clover-buller, pump, hay-press, etc.

No end of odd jobs that can be done with the

MOLINE UNIVERSAL TRACTOR

These new features, together with the well known Moline-Universal type—all the weight on two wheels, one-man control and ability to do all farm work including cultivating—make the Moline-Universal Model D the best tractor money can buy.

Conservatively rated at 9-18, the new Moline-Universal has ample power for heavy belt work, and can plow as much in a day with two plows as the ordinary three-plow tractor, because of its greater speed. Yet it is light enough or such work as cultivating, mowing, etc., which do not require so much power.

We will be glad to tell you all about this wonderful tractor. The next time you are in town call on us.

Drop forgings, heat-treated parts, steel cut gears and unusually large bearings add extra years of endurance.
