

TENDLER'S CATS; THRONC OF ATHLETES GATHER AT CHICAGO

THE BLACK CATS SHARPEN CLAWS

They Will Need 'em Saturday When Kiwanis Hits the Camp Colt Salient

The Kiwanis Club baseball team is on its toes, ready to lick the tar out of the Black Cats in the big game to be staged at Gettysburg, Saturday.

Even though the Black Cats are honest-to-goodness fellows coming direct from Uncle Sam's Tank Corps at Camp Colt, the Kiwanian swatters don't care a fig.

The game to be played Saturday is the last of a series of three. The Kiwanians won the first two games and if they win this battle they carry away the blue flag victory.

Mighty Gathering of Athletes at Chicago

The biggest athletic meet staged for many years in America starts tomorrow at the Great Lakes Naval Training Station.

Virtually every athlete of scholastic or intercollegiate prominence in the country, besides a smattering of men who have made reputations as members of athletic club teams, have been entered.

The entry of seven athletes from the Royal Air Force of Toronto, Canada, was received to-day. The list included Earl Thompson, a world's record holder in the all-around.

Events in the Junior championship which are to be decided Friday are open to twenty or more services.

Three athletes who are in the aviation service and stationed at Scott Field, near St. Louis, will fly to Great Lakes to compete.

Two athletes who are in the aviation service and stationed at Scott Field, near St. Louis, will fly to Great Lakes to compete.

Tech Upper Classmen to Whip Sophomores and Freshmen Into Shape

The weather man seems to be using his magic wand over upper classmen at the Technical High school.

Chairman Frederick R. Smith, of Draft Board No. 2, has written to the principal of the school expressing his thanks for the valuable help given by the students.

The thirty-five "hobby" clubs at Tech started their work for the year to-day. The school is a member of some organization.

Harrisburg Should Hurry to Enter Red Cross Tennis Match

Tennis officials here have received notification of the national program for collecting a substantial fund to aid the Red Cross which must be actively supported if our soldiers are to have the proper attention when Pershing starts his great drive for Berlin.

Special medals and certificates presented by the Red Cross will be awarded the winner and runner-up in these events.

The plan has been approved by the Executive Committee of the United States National Lawn Tennis Association and letters have been sent to the members by Secretary Edwin F. Torrey.

Your Executive Committee has decided to recommend that a series of tournaments for the benefit of the Red Cross be held throughout the country on September 28th, the last Saturday in the month.

The American Red Cross Prize Medal Committee offers a bronze medal bearing its emblem which is reproduced below. One of these

The third round of the Lew Tendler-George Chaney six-round bout last evening at the National in Philadelphia was one of the most sensational ever fought between lightweights in this or any other country.

Chaney had caught Tendler with a left hook on the jaw. It sent Tendler reeling to the ropes. Like an unleashed tiger, Chaney rushed over to complete the job.

Chaney landed the greater number of blows in that round, and earned the decision by a bare margin.

In the preliminary bouts Danny Buck stopped Frank Paris in the sixth round and William Smith and Battling Leonard fought a hard give-and-take six-round draw, despite the fact Leonard was dropped once by the count in the second round.

Major W. G. Murdock, state draft officer, to-day issued a call for free service in the Dauphin county.

Local boards are again reminded of the necessity of making arrangements for efficient legal advisory boards throughout their districts.

Local and legal advisory boards are directed to co-operate in selecting throughout the jurisdiction of every local board a sufficient number of associate members to give the necessary aid to registrants.

In regard to free service he writes: "This is in receipt of a number of letters from notaries public and justices of peace who have requested assistance during the early winter of 1918, but who are now asking whether or not they will not be permitted to charge for whatever services they render.

In view of the patriotic work which was rendered by members of legal advisory boards to registrants previous to this time and the great work which they have been called upon to do in the immediate future, it is inconceivable that anyone, whether attorney, justice or notary, should endeavor to collect a fee for giving assistance to a registrant in filling out his questionnaire.

Every available member of a legal advisory board should be called by the local and legal advisory boards to act in the capacity as associate members and after being called upon, such members endeavor to cost free from registrants, they should be immediately reported to this office."

Mrs. Philip T. Meredith is Named Chairman

Mrs. Philip T. Meredith, 1605 North Front street, has been named as chairman of the new Uniform Packing and Shipping Committee of the American Red Cross' local chapter.

Mrs. Meredith will supervise the packing of repaired soldiers' uniforms. The uniforms are sent to the local workrooms for mending and returned to the War Department.

Work on the mending of the uniforms is progressing rapidly. It has been requested by Mrs. M. W. Smith, chairman of the work, that tailors who wish to aid, should come to the workrooms to-night.

Pet Bear Attacks and Kills Five-Year-Old Boy

Solon Mills, Ill., Sept. 15.—Henry Vogel, 5, son of George Vogel, of this village, was clawed to death yesterday by a pet bear that for months had played about the yard on a chain.

Mrs. Vogel, in attempting to rescue the child, was seriously injured. The bear was shot.

The animal showed signs of ugliness, snapping at Mrs. Vogel who gave the bear a whipping before he went to work. Later when the child appeared in the yard, the bear snatched his chain and pounced upon the boy.

MORE CASES FOR CRIMINAL COURT

Twelve Trials Listed For Sessions Which Start Next Monday

Twelve more cases have been listed for grand jury action for the September 22 sessions of criminal court which will open next week.

The proposition is to be discussed immediately here and there seems to be no doubt of Harrisburg's responding. One difficulty pointed out by Douglas, the commissioner of the local association, is the lack of facilities for admission charges.

The additional cases which have been listed follow: Tilford Davis, carrying concealed deadly weapons; Lydia Liebert, larceny; Tony Mont, two charges, larceny; Annie Kuse, assault and battery; William Phillips, selling liquor on Sunday and maintaining bawdy house; George Kessler and C. Henry Kessler, serious charges; John L. Davis, two charges, larceny; John L. Davis, fraud against boardinghouse keeper; R. L. Carroll, operating motor vehicle while intoxicated.

Bids For Ballots—Bids for ballots and supplies for the general election in November will be opened by the County Commissioners, October 2.

To Inspect Bridges—County officials, including the commissioners, will tour the upper end of the county next Tuesday to inspect bridges and decide on necessary repairs.

Cardinal Farley to Rest in Cathedral

New York, Sept. 18.—Prayers were offered in many churches for the repose of the soul of Cardinal Farley, Roman Catholic Archbishop of New York, who died on Tuesday at his summer home, Green Acres, Orient Point, Mamaroneck. These were the first of a series of services which are to be held every day until next Tuesday, when the Cardinal will be buried beneath the altar of St. Patrick's Cathedral, where the body of Cardinal McCloskey rests.

Cardinal Farley's body was brought to New York to lie in state in St. Patrick's cathedral, where the body of Cardinal McCloskey rests.

The funeral procession left Orient Point at noon to-day. It proceeded to Boston Post Road, through Larchmont to New Rochelle, thence to the Kings Highway through Pelham and in Third Avenue through Mount Vernon, to and in the Grand Concourse in the Bronx. Finally the procession reached St. Patrick's cathedral by way of Lenox and Fifth avenues.

To-day application for a charter for the institution to be known as the Williams Valley Hospital, was made to the county court and has been filed in the office of Prothonotary Charles E. Pass. The five directors of the hospital are James E. Lentz, county recorder, of Elizabethville; Dr. John Lehr, Lykens; John B. Leshar, Williamsstown; Dr. Harry A. Shaffer, Williamsstown; Dr. R. H. Stutzman, Towson City.

The hospital can accommodate 20 patients and is fully equipped with operating rooms and all other necessary appliances for medical and surgical work.
