Your Old Clothes Are Wanted For Belgians

Fifty tons of old clothing is Harrisburg's quota for the Belgian relief. Any old discarded clothes that have served your purpose and yet good enough for additional service should be bundled up and marked War Relief Committee.

Some day next week, to be announced by the committee, trucks and motor messengers will pick them up from doorsteps and curbstones.

You have read about the homeless and destitute of Belgium, because of the war. Every attic and wardrobe has some articles of clothing for children and grown folks. Give them to this committee and shiploads will be sent from this country to clothe the Belgians this Winter.
