Chicago, Sept. 23.—A nation-wide movement said to be approved by the federal government and sponsored by the State Council of Defense, for the separation of Hungary from Austria, was launched by Chicago's Hungarian colony at a mass meeting attended by about 2,000 persons yesterday. It was planned to send emissaries to read the propaganda of a Hungarian republic among the Hungarian prisoners of the French. Italian and Serbian fronts.

Among those present at the meeting was a delegation of Hungarians from Akron, Ohio, headed by Dr. Husko, and Darego Polgar.

"This is our answer to the recent plea of Baron Burian," Dr. Husko, said, "We will have peace when an American peace is possible, when Hungary is once and forever free.

Much the same system will be followed in enlisting men both in the navy and marine corps. Men desiring to enter either the navy or marine corps will be required to make application at the recruiting center. For Delaware and Pennsylvania it will be in Philadelphia.
