**Try Making Your Own Cough Remedy**  
You can save about \$2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, molasses, or honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation acts right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty, irritated tickle and heals the sore, irritated membrane so gently and easily that a day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.—The Pinex Co., Ft. Wayne, Ind.

## CAPT. VINT'S FIERY SPEECH

British Army Officer Says Hun Frightfulness Changed His Disposition Entirely

Mechanicburg, Pa., Oct. 1.—The frightfulness of the Hun changed me from a peace-loving man into one who delighted to kill Bochen," exclaimed Captain W. G. Vint, of the British Royal Field Artillery, in a spirited address last evening at a mass meeting in the First United Brethren Church in the interest of the Fourth Liberty Loan campaign. "I did kill them, too," added Captain Vint, "and, believe me, I am going back for more." In speaking of the world war, he said the Germans professedly were fighting for the smallest detail, and thought of every thing but one, that is—the psychology of the other fellow's mind. "Until several weeks ago," he said, "I fought under General Foch and with the American boys, whom he praised greatly. The audience applauded his representation of Germany as a snake, coiling round the world, but with one bright spot at present, that he is wounded. "As snakes," he said, "do not die till sunset, thank God it is now halfpast four."

An eloquent address was made by J. E. B. Cunningham, of Harrisburg, in which he paid tribute to the Allies and the American boys, with a strong appeal to the people to buy Liberty Bonds. There are three ways, he said, for the government to get the money—by taxation, by borrowing from the people, or taking it. If people do not rise cheerfully and unobscurely to the aid of the government, it would be the duty of the government to come right down and take it. He closed with a glowing tribute to the American flag, which he said we will back up with our dollars.

The mass meeting was one of the largest ever held here and the Singers sang previous to the opening hour.

A special feature of the occasion was the community singing by a choir of about 100 voices under the direction of R. Byron Schroeder. All the new Liberty Loan and patriotic songs were sung, with Miss Clara Cromleigh at the organ. Burgess Schaeffer, Jr., N. Seldomirsky, and Messrs. I. G. Mentzer, E. C. Tobias and Charles Orth.

The finance committee will meet on Tuesday afternoon. This committee consists of the following: The Reverends S. C. Enck, H. E. Miller, C. A. Mutch, H. M. Miller, H. E. Schaeffer, J. N. Seldomirsky, and Messrs. I. G. Mentzer, E. C. Tobias and Charles Orth.
