

**ABLES Church Workers to Keep Spirit of War at White Heat**

New York, Oct. 1.—We rely on the spirit of the people who keep the spirit of the churches at home to keep the spirit of the people white hot with patriotism and courage until victory has been won," read a cable message from General Pershing, received here today by Dr. Robert E. Speer, chairman of the general war-time commission of the churches.

The message was General Pershing's reply to a cablegram expressing the loyalty of the churches and the assurance of their confidence and hearty co-operation sent by the commission while in session in Washington, September 24.

**LUNG** Sufferers, write today for my words of value FREE about Weak Lungs and how to treat Lung Trouble. Address M. Beaty, D., 102 Cincinnati, O.

**Why Colds Lead to Pneumonia**

When a cold is neglected it attacks the lining of the lungs—then it's pneumonia. Father John's Medicine treats colds and prevents pneumonia because it nourishes the system and drives out the poisonous waste matter—any other way of treating a cold is likely to lead to pneumonia. Not a "cough syrup" or "balsam" depending upon dangerous and weakening drugs, but a food medicine and body builder.

**DOCTORS ARE BOOSTING IT**

Still the good work goes on, soon there will be no more tired, nervous people in our city. This is caused largely by the widespread use of Phosphated Iron, the new tonic and nerve bracer that has sprung into instant popularity with the medical world.

Phosphated Iron will help any run-down, nervous condition almost immediately. It will put fresh iron in the blood, the phosphates taking hold of the nerve centers and bracing them up. You will eat better, sleep better and get up in the morning feeling like doing things; you will feel the old-time vim and snap of youth surging through your veins; you will tackle the day's work with confidence and a smile.

Science has taught us that when we have enough Iron and Phosphorus in the blood and nerves we are healthy; that almost all conditions of ill health and nervousness are due to the lack of Iron or Phosphorus. Phosphated Iron rarely fails to supply the needed amount of both.

Use Phosphated Iron one week and you will forget you were ever nervous, tired and run down; you can feel it taking hold.

Special Notice—To insure physicians and their patients receiving the genuine Phosphated Iron, we have put up in capsules only, so do not allow dealers to substitute pills or tablets, insist on the genuine, in capsules only. For sale in Harrisburg by George A. Gorska, 15 North Third Street, and P. R. R. Station.

**A Tonic and Health Builder**

Take CALCEBIS to rid yourself of that weakening, persistent cough, which is threatening you with throat or lung trouble. The plan in acute cases is to take CALCEBIS and in chronic cases CALCEBIS have given much relief—in many cases helping to restore health. They give strength to combat illness. Contain calcium (a lime salt), so compounded as to be easily absorbed.

Calcebis, 50 cents a Box. At all druggists or from manufacturer, postpaid.

ECKMAN LABORATORY, Philadelphia.

**NOTICE TO ALL JEWISH ORTHODOX WOMEN & GIRLS OF HARRISBURG**

It is your solemn duty to attend the organization meeting of the Orthodox Jewish Red Cross Auxiliary

**WEDNESDAY at 7.30 p. m.**

At Keshet Israel Synagogue Capital and Briggs Streets

Miss Palmer of the Harrisburg Chapter of American Red Cross Auxiliary, will be present and assist us in effecting the organization of our auxiliary.

Bulgaria, despite the alleged friendliness of King Ferdinand for the German emperor and the Germans, has cried "Kamerad!" and hoisted the white flag, the first to be hoisted by any of the combination of central powers since the war began. The issue is of intense importance to the German dream of conquest. Bulgaria's surrender cuts off the connection with Turkey. The German dream had been a Mitteleuropa, extending from Antwerp to the Persian gulf, taking in Bulgaria and other Balkan countries and Turkey. This may show the railroad running through Budapest, Belgrade, Sofia and Constantinople to be cut in two, so there can no longer be communication with Turkey. General d'Esperey is the allied commander to whom the peace offer was made.

**BABY BONDS WENT UP 1 CENT THIS MORNING**

Buy a Liberty Bond for Company

**Harrisburg Cigar Company Employees Have Bond Rally**

Employees of the Harrisburg Cigar Company to the number of nearly 400 held a rousing Liberty Loan rally at noon and got ready to "go the top" as a hundred per cent concern in the drive now under way.

**George E. Reinsner Dies Suddenly at Chambersburg**

Chambersburg, Pa., Oct. 1.—George E. Reinsner, for twenty-five years identified with Valley Spirit, Colonel David A. Orr's Democratic daily newspaper here, died suddenly of heart disease at midnight. Since 1910 he had been business manager and associate editor. Prior to that he had been superintendent of the mechanical departments.

**Red Cross Asked to Hurry Work on Immense Order of Pads For U.S. Wounded**

A new Government order for an immense quantity of army pads was received by the Harrisburg chapter, American Red Cross, this morning. The quota, which was not made public, must be finished by the first of next month. It was impossible for chapter officials to make public the allotment for this chapter for military reasons, but it is the largest order received here in many a day.

**Clark E. Diehl Addresses Municipal Electricians**

Writing about Clark E. Diehl, city electrician, who was re-elected as president of the International Association of Municipal Electricians, the Atlanta Constitution, says: "Clark E. Diehl, president of the association, who hails from Harrisburg, stated that while the designation was not so large as in previous years, owing to war-time conditions, the present convention had proved a most profitable one. We characterized this a 'win-the-war' convention, declared the chief executive, and the papers and discussions have been largely toward that end. Nor have we forgotten the war that must inevitably come after the war. We have often been admonished, 'in time of peace prepare for war.' And it is equally advisable that in time of war we should prepare for peace. When our boys return from 'over there' we must show them that we have not been idle and that America is ready to carry on her part in the commercial war."

**Wayne A. Kershner Dies of Pneumonia After Short Illness Following a Cold**

Wayne A. Kershner, division superintendent of Right of Way of the Bell Telephone Company of Pennsylvania, died at his home, 46 North Seventeenth street, at 1.25 o'clock this morning from pneumonia. Funeral arrangements have not yet been made. He is survived by his wife and a daughter, Frances Kershner.

**CITY PLANS FOR ROLL OF HONOR**

(Continued from First Page.)

ice. With the selective service calls to be made until next spring, it is expected the total will be greatly increased. At present there is no official city or county record showing the names of every man in service, not only in Pennsylvania, but in other states, such an official record is being kept.

**Plans Large Display Case**

According to a plan submitted to Council to-day at a regular meeting a large display case about twelve feet in height and probably 100 feet in length would be needed to hold the names of all the men and women from Harrisburg and Dauphin county now in service in the Army, Navy, Marines and Red Cross. The system which would be used, also would permit notations to show when a soldier had been killed, wounded, captured or was missing, and when he was cited for bravery or given a war cross. It is estimated that to install an honor roll which would be large enough both for the city and the county would cost several thousands of dollars.

**Trees to Honor Soldiers**

Council also gave Commissioner Gross permission to give trees from the city nursery to families who wish to plant them in honor of soldiers who died in service. One tree will be given to the Thirteenth ward and will be planted on the grounds at the Melrose school building.

**Permanence Memorial Desired**

In discussing a memorial to have the city plant trees in honor of dead heroes the officials agreed that such a memorial would not be more than a temporary one depending on the life of the tree and its care and treatment. Mayor Keister was particularly opposed to the plan for that reason and declared that that memorial would be erected to honor soldiers from the city who die on the battlefield.

**Communications requesting the appointment of a delegate to attend the annual sessions of the American Public Health Association at Chicago, October 14 to 17, and the National Tuberculosis Association in Pittsburgh, October 17 and 18 were read in Council and Mayor Keister directed them to be referred to the health bureau for action.**

The ordinance permitting parking of automobiles and other vehicles for a period of not more than thirty minutes in Second street, from Walnut to Strawberry streets, was passed finally. It repeals an ordinance introduced a few weeks ago by Commissioner Gross which, when it was passed, prohibited any parking in that part of the street.

Commissioner Lynch introduced the second ordinance by request and to-day submitted a petition signed by about twenty of the property owners and tenants along Second street, all asking for the passage of the measure. Commissioner Gross said that since the majority of the persons interested had petitioned Council for the new measure he would vote for it.

Mayor Keister, although he voted for the ordinance, told the other members that he preferred the first one which prohibited parking. He declared that with the Valley Railway Company cars running both directions on one track in this part of the congested downtown district, traffic conditions at times become serious for the public. He also intimated that the city may be held liable for damages should an accident result as there is no authority given to permit cars to run in a direction against traffic as is the case when the Valley cars are leaving Market Square, going northbound, to Walnut street.

**Harrisburg Gas Complaints Heard**

Complaints that the Harrisburg Gas Company had refused to extend mains to the houses of Oliver J. Reichenbach and Oscar P. Baer in service Commission Brecht to-day. Since the war began the company has not been extending lines to any great extent. No decision was given by Harry W. Miller, 2615 Jefferson street, entered complaint that the gas company had refused to furnish gas for cooking.

Commissioner Brecht also heard the complaint against the new rates of the Anville and Palmyra Electric Light Company. They are charged with being unreasonable and with being set for to-day were postponed.

The Chamber of Commerce of Jonette complained to-day that the West Penn Railway Company had refused to establish a waiting car in that town. The company contends that there is no terminal in Jonette and that the policy now is to conserve building material.

**DR. KALBES' ANNIVERSARY**

Dr. Joseph Kalbus, secretary of the State Game Commission, was to-day commemorated by an attaches of the commission and many friends throughout the state upon attainment of twenty-five years service with the commission.

**Come Mother, This Castor Oil Is What You Need---Don't Cry!**

If you, mother, had to swallow the awful dose--- Think back to your childhood days---Ugh! Give your children Cascarets instead. Cascarets taste like candy. Every child loves to take a Cascaret. Besides Cascarets act better on the little liver and bowels when the child is bilious, constipated, feverish and sick. Cascarets are delightful---harmless---cheap!

Each 10 cent box of Cascarets, the pleasant candy cathartic, contains directions and dosage for children aged one year old and upwards. When the little one's tongue turns white, breath feverish, stomach sour, there is nothing better to "work" the nasty bile, souring food and constipation poison from the child's system. Give Cascarets, then never worry.
