119TH SESSION OF U. B. CONFERENCE

Boundary Committee Recommends Many Changes in Charges Through District

Myerstown, Oct. 3.—The one hundred and nineteenth annual session of the Eastern Pennsylvania Conference of United Brethren in Christ, opened at Zion United Brethren Church, at nine o'clock yesterday morning in the absence of Bishop B. U. D. of Washington, D. C., who had not yet arrived. The Rev. Dr. S. C. Enck, of Philadelphia, the conference superintendent, presided.

The following young men were recommended for admission to the conference and licensed to preach the gospel: Edwin S. Rhoads, of Oaxville; Paul Prange, of Jones town; C. A. Stine, of Linglestown; Leroy Walters, of Sunbury; Russell Rhoads, of Lykens; James Gingrich, of West Lebanon; Paul O. Snook, of Philadelphia; and August Williams, of Mt. Carmel.

The afternoon session of the conference was opened by the Rev. A. L. Haesler, of Manheim, who conducted the devotional exercises. The report of the first year's course of reading was presented by the Rev. M. H. Jones, of Lebanon. The report of the boundary committee recommended the following changes: That Silver Springs, Ironville and Newtown be detached from the Centerville charge and attached to Florin charge; that Eby's appointment be detached from Florin and attached to Brunnerville; that Hilldale and Falmouth be attached to Royaltown. The report was adopted.

T. G. Spangler, of Lebanon, secretary of the Church Extension Society, submitted his report of that organization, which was read by the Rev. Dr. S. C. Enck, conference superintendent, read his first annual report. The report was one of the best in the history of the conference and contained a number of progressive recommendations, the principal one of which is evangelism. The Rev. W. E. Daugherty, of Harrisburg, read the report on "Church erection," which was adopted at the close of the reading of this report. The Rev. Dr. A. C. Siddall, of Ohio, delivered an address on the development of church extension, especially in the large cities of the nation. Dr. Siddall is the general secretary of the church extension society of the denomination.

The report on "Sunday schools" was submitted by the Rev. I. Moyer, Hershey, of Myerstown, and the report on public singing was read by Rev. Joseph Daugherty, of Harrisburg.

Mother's Pet Needs a Cascaret

Baby is mad! Doesn't want the favorite dolly, or the horn, or the picture books—but don't scold! Look at the tongue! Then hurry! Give candy Cascarets to work the nasty bile, souring food and constipation poison from the little liver and bowels.

MOTHERS! Clean the clogged-up places. Do away with the bile, sour fermentations and constipation poison which is keeping your little one cross, feverish and sick. Children love Cascarets, because to them it is like eating candy. Cascarets act better than castor oil, calomel or pills on the tender stomach, liver and bowels. Cascarets never gripe, never injure, and do not disappoint the worried mother. Give harmless Cascarets to children one year old and upwards. Each ten cent box contains full directions.

As Age Advances the Liver Requires occasional slight stimulation. CARTER'S LITTLE LIVER PILLS correct CONSTIPATION. Genuine bears signature. Colorless or Pale Faces usually indicate the absence of iron in the blood. A condition which will be iron helped by Carter's Iron Pills.

WILD RUN OF SCARED HORSE

Animal Plunges Through Mechanicsburg Cigar Store, Leaving Wagon at Door

Mechanicsburg, Pa., Oct. 3.—When a freight train passing through town about half past nine on Tuesday night, whistled any, let off steam, the noise frightened a horse tied in the alley back of East Main street in the American house, which ran through the front door of the store, breaking a glass case, damaging a victrola and smashing fifteen records, then emerging from the front door, after he broke the glass in that.

There were about a dozen men in the store at the time and the sudden entrance of the horse scattered them in all directions. One man who was leaving by the front door, just had time to jump behind the store entrance, when the horse crashed past him. Racing up South Market street, somebody later caught the horse, who belongs to Aaron Bear, of near town.

BETTER THAN CALOMEL Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute. Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that "lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "tired" and "heavy." Note how they "clear" clouded rain and how they "perk up" the spirits.

Catarrh Of The Stomach Is Dangerous "Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How to Recognize and Treat.

"Thousands of people suffer more or less constantly from that constant, irritable, bad breath, sour burning stomach, frequent vomiting, rumbling in stomach, bitter eructations, gas, wind and stomach acidity and call it indigestion when in reality their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach thickens and coating of phlegm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gastric ulcers apt to form frequently in a gastric ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bisurated Magnesia. It has a cooling effect on the stomach, soothes the inflamed mucous membrane, and draws the blood to the stomach while the bisurated magnesia is an excellent solvent of mucus and increases the efficiency of the hot water treatment. Moreover, Bisurated Magnesia is a powerful but harmless antacid which will neutralize the excess hydrochloric acid that may be in your stomach and sweeten its food.

Do not confuse Bisurated Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure bisurated form (powder or tablets), especially prepared for this purpose. G. A. Gorgas.
