"Corn's Never Trouble Me. I Use 'Gets-It'!" Why bump yourself on the floor and with your jaws set and eyes popping from pain, jerk and gouge and cut your corn? Why irritate your toes with some saline or wrap your toe into a big painful bundle with some sticky tape or plaster? Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corns pain go. Wear new shoes if you want. Peel off the corn with your fingers—the whole thing, root and all, clear and clean, and it's gone. Only "Gets-It" can do this. Take no chances. "Gets-It" guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago, Ill. THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A1. Buy a box of GOLD MEDAL Haariem Oil Capsules, periodically and your system will always be in working order. The kind your grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. Three sizes, sealed packages.—Advertisement.
