

General Conference of United Evangelical Church in Session

York, Pa., Oct. 4.—The General Conference of the United Evangelical Church, this city, Bishop U. F. Swengel, Harrisburg, and Dr. W. H. Fouke, Naperville, Ill., are the presiding officers. There were 312 home missions in operation during the past year, and in these there were

3,233 conversions and 3,423 accessions. The Platte River conference showed the largest net gain. The Sunday school enrollment of the missions is 56,769, which represents thirty-nine per cent of the entire enrollment. The property value of the home mission board is \$2,576,271, a trifle less than forty per cent of the entire valuation of church property, which is approximately \$6,500,000. Dr. B. H. Nibel, of Penbrook, said there is a corresponding increase in the foreign mission operations. The report contained the largest number of pamphlets in pamphlet form, and was distributed among the members of the board. Some of the most important items of business which will come before the conference will be the election of two bishops, editors of the church literature and periodicals, a publisher and other church officials, and the consideration of the proposition to unite with the Evangelical Association in the formation of a new church body after a separation of twenty-five years.

Tell How Marines Went Over the Top at the Marne

How the Marines drove the Germans away from Chateau Thierry in the great offensive was related to members of the Central Y. M. C. at the annual housewarming last night when C. W. Sayres, returned "Y" worker from Lancaster, delivered an address. He told how the Marines were compelled to run to catch up to the fugitive Germans. "The cry of 'Kamerad' receives scant recognition from the Marines," he said. He praised the "Y" for its war work in France and told of the tribute a battle-scarred young "veteran" paid him as he was about to leave for the states. "The Y. M. C. A. is indispensable over here," he was told. Gymnastic stunts under the direction of C. W. Miller, physical director, helped to keep the program humming with activity. The evening program was in charge of the So-

cial Work Committee, which included: P. T. Barnes, chairman; M. V. Hazen, Walter E. Dietrich, C. W. Miller, R. B. Reeves, J. F. O'Neill and Ross H. Swope. The special committee on arrangements included W. H. German, chairman; Dr. M. V. Hazen and Frank Foote.

JEWISH PEOPLE ARE URGED TO BUY BONDS

Jewish congregations in Harrisburg will be strongly urged to support the Fourth Liberty Loan in special sermons on the subject today and to-morrow at the city's synagogues. Decision to do this was accelerated by a letter received yesterday by Rabbi Louis J. Haas from the Rabbi Liberty Loan Association of New York, of which Dr. H. Perira Mandee, is chairman. At 7:45 o'clock to-night at Ohav Sholem Temple, Rabbi Haas will speak upon "A Time to Carry On." Similar services will be held to-morrow morning at 9 o'clock in Chisuk Emmau Synagogue, Sixth and Foster streets, and Keshet Israel Synagogue, Rabbi Morris Rumanoff and Rabbi Louis Silver preaching.

SOLDIERS TURN TABLES

"One good turn deserves another," quoth thirty soldiers who were greeted by canteen workers of the Cross yesterday. Just to show how much pleased they were with their cordial treatment here, they gave some of their mess, canned goods and jams to the local Red Cross ladies. Now the patients of the Harrisburg Hospital are eating the soldiers' oats incidentally the soldiers paid for their own mess.

Peace by June Possible, Senator Lewis Asserts

Washington, D. C., Oct. 4.—Peace as early as June of next year is a possibility the President was told yesterday. The message was conveyed to him by Senator J. Hamilton Lewis, of Illinois, who expressed it not only as his own opinion but as the opinion of Europe. Senator Lewis, who has just returned from Europe, conferred with the President in the afternoon. "Germany is beaten now," he said, in reviewing his conference with the President. "She is beaten and knows it. The Allied powers know she is defeated and the neutrals are also certain of it. She will make peace by June to save the Hohenzollern dynasty, provided the United States continues to put forth every element of power and continues to pour millions of men into France. There must be no letup in American endeavor."

Watch the Little Pimples; They Are Nature's Warning

Unsightly and Disfiguring Signals of Bad Blood Don't close your eyes to the warning which nature gives, when unsightly pimples appear on your face and other parts of the body. Not only are these pimples and spots disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they foretell Eczema, boils, blisters, scaly eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze. When these symptoms appear on any part of the body, take prompt steps to rid the blood of these disorders. And the one remedy which has no equal as a purifier is S. S. S., the purely vegetable blood medicine, which has been on the market for more than fifty years. It is sold by druggists everywhere. If you are afflicted with any form of skin disease, do not expect to be cured by lotions, ointments, salves and other local remedies, as they can not possibly reach the source of the trouble, which is in the blood. Begin taking S. S. S. to-day, and write a complete history of your case to our chief medical adviser who will give you special instructions, without charge.
