CREEL THANKS LIVE SCOUTS

Committee on Public Information Sends Appreciation to Khaki-clad Youngsters

That scouts actually do get results is shown by the following letter from George Creel, chairman of the committee of public information:

My Dear Mr. West: I wish to take this opportunity to express to you my appreciation for the assistance the Boy Scouts of America have been to the committee in its work.

The committee on public information fights ignorance, misunderstanding and disaffection. It works for the maintenance of morale by every process of stimulation.

Public opinion stands recognized as a vital part of national defense, a mighty force in national attack.

The battle for public opinion has been won. There is no organized disloyalty. Individual disloyalty has been isolated and marked down.

The Boy Scouts have had their part in winning this battle and they can do much to help maintain the unity so essential to victory.

Yours sincerely, GEORGE CREEL.

Vigorous Men and Women Are in Demand

If your ambition has left you, your happiness has gone forever unless you take advantage of H. C. Kennedy's magnificent offer to refund your money on the first box purchased if Wendell's Ambition Pills do not put your entire system in fine condition and give you the energy and vigor you have lost.

Help Stop the Barbarians. Buy More Bonds.

In two days you will feel better. In a week you will feel fine, and in a month you will have your old-time confidence and ambition or the druggist will refund the price of the box.

Sunflower Troop of Girl Scouts Help the Belgians

Sunflower, Troop No. 1, Girl Scouts of the Market Square Presbyterian Church held a meeting last Thursday in the church basement. There were three motions made and, unanimously voted on. They were to help gather clothes for the Belgian relief, to work for a troop award by selling Liberty Bonds, buying Thrift Stamps or by doing the work of some one who is released for war work also to help in the Fourth Liberty Loan drive.

Decide to-day that you will invest your time and personality in the greatest service of the hour. The "fringe line" of information, call it local Scout Headquarters, 208 Calder building.

Troop Orchestra Has Much to Do These Days

The orchestra of Troop 7 has been a busy organization since fall practice was resumed. On Sunday morning at the Rally, Day exercises of the church they took an important part on the program. Troop 13 Proves Its Number Is Unlucky in Gymnasium Work

There seems to be an epidemic of accidents among the scouts of the city in injuries more or less serious. Troop 13 had intended to take a short hike to Little Mountain, but the scouts preferred at the eleventh hour to postpone the hike and enjoy the afternoon on the gym floor which had just been refurnished, and was painted and shell-laced enough to see one's face on the glossy surface.

Troop 13 Right There on the Liberty Loan

Every scout in Troop 13 will come to scout meetings to-night, armed with a list of twenty-five names of prospective customers for Liberty Bonds of the fourth issue. This means that all the scouts in the troop are pledged to talk to at least twenty-five different people on the matter of buying another Liberty Bond.

Garments for Belgians

"DON'T LET UP, HUN NOT LICKED," M'ADOO PLEADS

Subscribe to the Fourth Loan Early as Inspiration, Says Finance Leader

Washington, Oct. 4.—Admonition to the American people to let the news of Allied victories cause a slackening of efforts in the campaign for the Fourth Liberty Loan was expressed last night by Secretary McAdoo in pointing out that to date subscriptions toward the \$5,000,000,000 total are being received at only about one-half the necessary rate.

"I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without a pain or a headache or any other ailment. Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it."

"While I am confident that the American people will in the end complete the enormous task before them," Mr. McAdoo continued, "I desire to urge everyone not only to subscribe to the utmost of his ability, but subscribe at the earliest possible moment in order that his subscription may serve as an inspiration to others."
