Long Pastorates Served by United Brethren Ministers

THE REV. J. A. LYTER

Myerstown, Pa., Oct. 5.—One of the advanced steps taken by the United Brethren Church during the last ten or fifteen years is the longer pastorates. In the earlier history of the denomination the custom of sending pastors for only three years in succession on the same charge prevailed. The change to longer pastorates has resulted in building up stronger churches and enabling the pastors to bring in better financial reports from their respective fields. Especially is this movement noticeable in the East Pennsylvania Conference, which includes all the United Brethren Churches in this territory.

At the head of this list stands the name of the Rev. J. A. Lyter, of Harrisburg, who has just completed a nineteenth year as pastor of the Perry Street Church, of that city. Some of the other pastors whose names appear on this list are: The Rev. H. E. Miller, of Lebanon, who completes his fourteenth year; the Rev. H. M. Miller, of Penbrook; the Rev. A. S.
