YOUR CLASSIFIED AD

Will get the interested attention of those people who have decided that they must solve the home problem through buying property. Sometime in their lives nearly everybody reaches that decision. It is not always acted upon. Sometimes there is a failure to find the place that's wanted — or the terms of payment are too difficult, and the prospective home-owner goes on renting. If you have an offer to make to such people, now is a good time to make it.
