ARMY SURGEON DIES IN SERVICE

Mrs. George R. Pretz on Way to Husband When Her Brother Dies

Gettysburg, Pa., Oct. 9.—Mrs. George R. Pretz, wife of a Lebanon physician, who has been here with her parents since her husband was called into war service several months ago, received word to come to Syracuse, New York, at once, as her husband was seriously ill with influenza. The death of the young physician occurred before she reached him. Dr. Pretz's home was at Steelton before locating in Lebanon for the practice of his profession.

Doubly bereaved is the Tawney family. Editor Tawney, a brother of Mrs. Pretz, suffered a stroke of paralysis at 5 o'clock yesterday morning and died almost immediately. He was a married man with two children and was about 38 years old. With the body of Dr. Pretz on its way here from Syracuse it will make two lifeless bodies in the same household.

AILMENTS OF WOMEN

There is no denying the fact that thousands of American women drag along day in and day out suffering with these ailments peculiar to their sex which make life a burden. If women who suffer from dragging-down pains, inflammatory, ulcerated or catarrhal conditions would only give that greatest of all remedies, Lydia E. Pinkham's Vegetable Compound, a trial, they would readily find relief from such sufferings as the following: Headache, constipation, constantly being published prove.

100 DEATHS OF CAMP COLT MEN

Spanish Influenza Has Taken Heavy Toll Among Tank Corps at Gettysburg

Gettysburg, Pa., Oct. 9.—One hundred deaths has been the toll of the Spanish influenza which has been prevalent at Camp Colt during the past two weeks. The general conditions at the camp, however, seem to be improved and the disease has probably reached its height, as the camp officers state that the number of new cases reported are growing less all the time. To relieve the overcrowded camp hospital, Xavier Hall, in town, was offered to the camp as a hospital and this has been filled with the patients. The townsmen are doing everything in their power to co-operate with the camp for the welfare of the boys. Practically every organization in town, generally working under the direction of the Red Cross, has taken up some part of the work. Pillows, linens and muslins have been furnished by the citizens in the emergency, while daily deliveries of milk, jellies, fruits and every kind of eatables that could be given to the sick have been made.

The Lutheran Church has thrown open its chapel as a place at which the persons who come from a distance to look after their boys can stay over night free of charge, if they so desire.

Appetite Restored and Strength Renewed

S. B. Knuffman, living at Bismarck, Lebanon county, Pa., has this to say about Tonall: "I suffered from stomach troubles, and my system was run down. Had indigestion and I was miserable. Hearing so many people being benefited by taking Tonall and reading about the well-known Roots, Herbs and Bark in it, I believed it was a good medicine for me. I am now taking the fourth bottle and my appetite is back again, and I have back my old-time strength."

Tonall is the best I have ever used, and it pays to try it before any other. It is no experiment. It is the real thing for stomach ailments.

This testimonial was given September 16, 1918. Tonall is sold at Gorgas' Drug Store, Harrisburg, and Martz at Steelton.

WOMEN SECURE \$58,300 IN LOAN

Mechanicsburg District Workers Exceed Amount of First Day in Third Campaign

Mechanicsburg, Pa., Oct. 9.—The Women's Liberty Loan of the Mechanicsburg district has received subscriptions amounting to \$58,300. This is about \$6,000 more than they had on the corresponding day in the last drive. The report is gratifying in some respects. For instance, the territory is divided in the towns, the men taking half of the town, the women the other half. During the last drive two women of the Mechanicsburg district collected over fifty per cent. of the total allotment. But when one takes into consideration the fact that a great deal more money must be raised this time, every woman worker is urged to redouble her efforts so that the same high percentage they held in the last drive be maintained. If any of the workers need supplies of any kind they may obtain same by calling at the Woman's Liberty Loan headquarters in Market street near the Square.

Postum Good Friend of the Coffee Drinker. Coffee often disagrees with the best of us. When you find it wise to stop coffee for a few days on account of disturbed digestion or too much nerves, switch to Postum and note the result. Many people who love their coffee follow this plan with excellent results. Postum comes in two forms: Postum Cereal which must be boiled, and Instant Postum, made in the cup in a moment. They are equally delicious and the cost per cup is about the same. "There's a Reason"
