New York, Oct. 10.—Wall Street Trading in the first half hour of to-day's stock market was characerized by extreme irregularity, terized by extreme irregularity, the war division again reacting, while shippings, utilities and oils resumed their activity at material gains. Marine pfd., rose three points, Atlantic Gulf gaining about half as much, while Western Union, People's Gas, Mexican Petroleum and Texas Company gained 2 to 3 points. Equipments of the class represented by Baldwin Locomotive and the Independent Steels broke 1 to 2 points. United States Steel yielded a small fraction but soon rallied a

points. United States Steel yielded a small fraction but soon rallied a full point. Canadian Pacific also showed some heaviness in the initial dealings but railied briskly.

Minimum quotations for the current movement were made by active war equipments during the further irregular trading of the morning. Declines in stocks were accompanied by heaviness in leathers, coppers and distilling issues. Rails were nied by heaviness in leathers, coppers and distilling issues. Rails were very erratic, Canadian Pacific's rally in the first half hour being succeded by another drop of 2½ points. U. S. Steel was distinctly strong, evidently in anticipation of a favorable September tonnage report, but Marine pfd., continued the chief factor on the bull side, extending its gain to 3½ points.
