Ohio Physician

Dr.F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their clive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow lock, dull eyes, primples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edward's' Olive Tablets—the successful substitute for calomel—now and then just tokeep in the pink of condition. 10c and 25c per box. All druggists.

Marcy is approximately five miles east of St. Quentin and is directly south of the line on which the British and Americans were fighting yesterday. This advance cuts the railroad by which the Germans morth of St. Quentin could escape from the net being thrown about them, and marks a new step in the operation of outflanking the Laon salient.

A 1917 seven-passenger touring car, valued at \$2,400, stolen last night from in front of the home of Frank J. Althouse, 29 North Thirteenth street, where he parked it for a moment while he went into his house to get a coat, was recovered by Captain Thompson this morning in Wilhim Road, east of Paxtang.

It is the fourth car reported stolen and recovered by the police this month. All were recovered in the neighborhood of Paxtang and police are going to keep a sharp watch for "joy-riders," who are thought to be stealing the cars for a ride and then abandoning them.

The Quick Way to Stop a Cough

************* You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough
