THE GLOBE THE GLOBE

The usual practice of fitting small

slender women with misses sizes isn't

followed in my store. A gown or suit

designed for a young girl is seldom

successful on a woman, no matter

The slender woman is fortunately able to wear gowns more elborately draped and

trimmed than those of her stouter sister or

her daughter. There is no good reason for depriving her of this great advantage by

My one-piece dresses in serge and velvet, specially designed for slender women, are as

attractive in appearance as they are reason-

how slight her figure may be.

dressing her like a school girl.

THE GLOBE is co-operating with City Health Officer Raunick in stamping out Spanish influenza — our store will close Saturday, October 12, at 6.30 P. M., as requested. We ask our patrons to kindly shopping as early as possible during the day.

GLOBE COATS For Women and Misses At \$29.50 \$37.50 & \$49.50

Demonstrating Our Superior Values

Women who look at the exquisite tailoring-the exclusiveness of style and superiority of materials are loud in their praises of Globe Coats.

Only by taking advantage of market conditions, many months ago, are such remarkable values as these possible:

At \$29.50 Stunning Coats of Wool Velours and Cheviots in belted models, with fur collars and two-piece belted models with self collars and cuffs—lined throughout—all leading shades

Cheviots and Silvertone are the materials of very smart pleated-At \$37.50 back models—new style flare cuffs—self convertible collar and fancy pockets-all the season's best shades, including Pekin, Fawn, Beaver shades and Green.

Fashioned of the much wanted Silvertone, Velours and Kerseys in panel back, double-belted models—full belted coats with four-piece belt and fancy pouch pockets—buttons add a touch of smartness to many of these—all elegantly silk lined.

Other Exclusive Coats at \$57.50 to \$150

Coats For the Younger Miss at \$10 to \$32.50

Many new and exclusive models in Coats for girls 6 to 14 just arrived. Among them are Silk Velours, Burella Cloths, Cheviots, Mannish Worsteds, Wool Velours and Corduroys—all elegantly tailored—many with fur collars.

DECISIONS GIVEN

Half a Dozen Problems Settled by Board; Steelton Case Is Finally Decided

A woman engaged as an assistan matron at a boarding school and injured by falling from a porch where a light was not burning as usual is entitled to compensation

New York, Oct. 11.—Declaring that the revenue bill, now before Congress, discriminated against the industrial states and the business classes, Otto H. Kahn, of Kuhn, Loeb and Company, speaking last night at a dinner of the National Industrial Conference Board, at the Hotel Astor, asserted that those primarily in charge of the taxation program were influenced "by sectional and vocational partiality."

After pointing out that as a class in the farmers are exempt from the excess profit and war profit taxes, and apparently not effectively reached by whether it was conceivable "that the politicians who are so rigorous in their watchfulness that no business profit shall escape the tax gatherer would not devise means to lay an effective tax if the same situation existed in a business industry."

"Turning aside from this interrogation mark," he continued, "I will only add that there are numerous taxes of a tried and tested and socially just society that the expensive the same situation existed in a business industry."

"Turning aside from this interrogation mark," he continued, "I will only add that there are numerous taxes of a tried and tested and socially just society of the same situation existed in a business industry.

"Turning aside from this interrogation mark," he continued, "I will only add that there are numerous taxes of a tried and tested and socially just some of them have been suggested to our legislators, but they have not our taxation program, the burden of sether with the entire character of our taxation program, the burden of sether with the entire character of our taxation program, the burden of our taxation progra
