With seventy-nine cases of Spanish influenza getting the genuine Phosphated Iron will afford such prompt and permanent relief.

YOUR HELP IS NEEDED FOR A FEW DAYS MORE

If the public will continue to co-operate for a little longer, we will come through the CRISIS. While new absentees from our operating force still exceed the number returned to duty, an improvement is looked for daily. Duty to the community has been clearly fixed by the City Health Officer. Certain telephone users are apparently forgetful. If they too would help by making only those calls that are ABSOLUTELY necessary the sum total of the public's fine co-operation will have saved the most critical situation that your telephone service has ever faced.

THE BELL TELEPHONE COMPANY OF PENNSYLVANIA
