GLASS OF SALTS CLEANS KIDNEYS

If your Back hurts or Bladder bothers you, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can't understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast every morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with neutral sodium phosphate, which is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache.—Adv.

ROYER REFUSES TO LIFT BAN ON SALE OF LIQUOR

Acting Health Commissioner Says Profiteering Is Isolated

A telegraphic appeal pleading that the ban on sale of whisky by wholesale and retail dealers be lifted, was received yesterday from Coroner William R. Knight, Philadelphia, by Governor Brumbaugh. In his telegram Coroner Knight outlined the difficulties under which the poor have to labor, citing instances of mercenary treatment by druggists. Replying to the message, Dr. B. Frank Royer, acting State Health Commissioner, has stated it is his belief that profiteering in the sale of whisky applies only to isolated instances. The services of the Health Department are offered in the letter to those who cannot secure stimulants in case of illness.

Dr. Royer's answer follows: "Your telegram to the Governor has been referred to me with the comment but evidently imposing upon me the duty of replying to your request therein contained. "It is the duty of the Commissioner of Health in times like these to determine and adopt the most efficient means for the protection of the health and lives of the people. It is no less the duty of every patriotic citizen to support the health authorities in their efforts to prevent the spread of an epidemic which not only takes its toll in lives but threatens to cripple our industries and curtail our coal supply in time of war.

Your appeal, while I do not question the honesty of your motives, represents the interests of a few against many. If it be true that by reason of the order closing the places where liquor is sold one individual or family somewhere may suffer a hardship, we believe it equally true that for each such case, hundreds of families have been benefited. "Profiteering" in the part of druggists charged in your telegram certainly must apply to isolated cases. Patriotic citizens of Philadelphia would not permit such a practice to continue and if actual occurrences of this kind are reported to either the Philadelphia Department of Health or this department they will be promptly referred to the Federal authorities who are paying special attention to profiteering during war times.

It is in any locality in your city possible to your knowledge are unable to secure stimulants for medical purposes and either the Department or Public Health and Charities of Philadelphia or this department is notified of that fact provision will be made whereby stimulants can be secured in that district."

Letter to the Editor

TO THE EDITOR OF THE TELEGRAPH: Lord God of the Spirits, in whose hand is Power and Empire, who knows and rules the Universe; To Thee be honor, glory, power for all eternity. Lord, we are thankful for the life Thou gavest us. Thee we thank that to be able to overcome the grief and bitterness of life Thou hast granted us faith, and above all we thank Thee, Oh Lord, for the gift Thou made to this world; Jesus Christ, Lord, be with us in our pains and battles; guide us quickly to Victory, help us to enlarge our Faith. Grant us, Heavenly Father, Thy Sacred Spirit to be our Guide in the ways of Goodness and Truth. Grant us, Father, Wisdom; and make us do Thy will, and not our will. Guide our action, and prepare us, in order that, full of Thy Spirit our armies can battle not for vain and worldly cause, but for the glorious Reign of God. Oh, Lord, make humanity understand that we all are brothers, and that the hearts under other skies and governments can all co-operate for the Common Good. Thy Kingdom Come, Heavenly Father; Thy Will be done. Take pity on mislead humanity, and save it from complete destruction. Lord, create in us a pure heart and grant us an upright spirit. Lord, free us from the perils which enshroud us in death, so that, in future, we can do Thy Will; and give us back the peaceful times of the past. Lord, guide and protect our soldiers on the battle front, be with them in moments of discomfort, in all adversity which they encounter. Be, Oh Lord, with all who suffer and give them aid, and quickly restore humanity in the name and glory of Jesus Christ, the Saviour, Amen. Prayer by V. ORSINI, 703 N. Third street.
