Ford Service and Auto Painting **Extraordinary**

When you have a bad cold and need a doctor, do you go to a dentist to have it remedied? No, you see the doctor that makes a specialty of curing colds. So it is with your Ford. If it needs repairing, you don't take it to an accessory store, you take it to a specialist—that is, if you are wise. MAC'S GARAGE is the SPECIALIST on FORDS in Harrisburg—the ONLY PLACE to get a REAL FORD JOB.

We have the Complete Equipment to remedy all kinds of FORD trouble, no matter what it is. We have the ONLY UNIVERSAL CYLINDER REBORING MACHINE this side of Philadelphia. This machine rebores the cylinders for oversized pistons. If your machine has lost its compression, or oil is working past the piston, corroding the spark plugs and causing bad misses, one sure remedy for it is to rebore the cylinder and put in oversized

The same thing applies to Painting. We are experts on painting automobiles. We can give you a complete job of painting—and at a very reasonable cost. We also do Lettering and Monogram work on short notice. Let us give you an estimate on your job.

German Atrocities

THE other night one of Gen-eral Pershing's boys went out into No Man's Land. he didn't come back. Infree hours later a searching party went out to find him. That boy had been killed and his body hacked to pieces. His comrades gathered up the remains and brought them back in a sack.

That heave young American That brave young American was chopped to bits with German cutlery. Before the war we bought two million dollars worth of German cutlery each year.

In the past three years American factories have vastly increased their output of pocket knives. Patterns have been simplified: quality has been improved; an American industry proved; an American industry has been encouraged and de-veloped. "Made in Germany" on a knife-blade carried in an American pocket has become but a distasteful memory.

Shall we be customers of these bloodstained butchers after the war? I hardly think so, but it is up to you, Mr. Buyer.

Our Pledge

The Front-Market Motor Supply Company makes the pledge never knowingly to purchase any raw materials or manufactured articles, regardless of quality, workmanship or price, made in Germany or by German sympathizers.

Our Motto

A Hun trick is a Hun trick— Doing business under a camou-flage by false advertising, mis-leading signs and misrepresenta-tion is a Hun trick.

Never Put Acid into It

Don't monkey with Acid.

It won't strengthen your battery.

It won't ginger up your starter or brighten your lights.

It won't put fire in your spark.

But it does burn the life out of the platesincreases the need of repairs-makes your battery cost more and makes its life shorter.

If you think your battery needs acid, come in and get an expert opinion. Ask for a copy of the booklet-"A Mark with a Meaning for You." It tells a vital
